San Diego, CA 92123

Important information about your plan

Beginning July 1, 2022, new legislation will require Sharp Health Plan to mail you an Explanation of Benefits (EOB) that includes your annual deductible (if applicable) and annual out-of-pocket maximum balances each month you use your benefits. Your EOB is not a bill and no action is required.

For your convenience, this information is also available at sharphealthplan.com/login through our secure online member portal. You may also contact Customer Care at customer.service@sharp.com or 1-800-359-2002 to request your balances.
