

Protect Your Financial Future with a Health Savings Account

Congratulations! You are on your way to setting up a tax-free Health Savings Account (HSA)

Because you selected a qualifying, high-deductible health plan (HDHP) through Sharp Health Plan, **an integrated, tax-advantaged HSA can be set up for you through our preferred financial partner, HealthEquity®.**

Your new HSA allows you the freedom to save money toward paying for qualified medical expenses now, or to let you roll over your account balance each year and build up a health savings safety net for future medical expenses. This simple but powerful tool has many advantages, including:

- All contributions, interest on earnings and funds used to pay for qualified medical expenses are tax-free.*
- You own the account and all the contributions.
- Account balances roll over each year and remain available for qualified medical expenses, even if you change health plans, retire or move to a new employer.
- Once your account balance reaches \$2,000 or more, you have the option of investing all or a portion of your account (above \$2,000) in HealthEquity's investment portfolio, free of commissions and fees.

Easy steps to using your HSA

- 1 Complete the HSA Authorization form on the back.
- 2 Check your mail for your HealthEquity Visa debit card and Welcome Kit.
- 3 Set up a one-time contribution or recurring payments through payroll deductions, a checking or savings account or another qualifying account.
- 4 Use your activated HealthEquity Visa debit card to pay for qualified health expenses.
