make life better.®

This Member Handbook (including the enclosed Health Plan Benefits and Coverage Matrix) is your COMBINED EVIDENCE OF COVERAGE AND DISCLOSURE FORM that discloses the terms and conditions of coverage. Applicants have the right to view this Member Handbook prior to enrollment. This Member Handbook is only a summary of Covered Benefits available to you as a Sharp Health Plan Member. The Group Agreement signed by your Employer should be consulted to determine the exact terms and conditions of coverage. A specimen copy of the Group Agreement will be furnished to you by the Plan or your Employer upon request.

The Group Agreement and this Member Handbook may be amended at any time. In the case of a conflict between the Group Agreement and this Member Handbook, the provisions of this Member Handbook (including the enclosed Health Plan Benefits and Coverage Matrix) shall be binding upon the Plan notwithstanding any provisions in the Group Agreement, which may be less favorable to Members.

This Member Handbook provides you with information on how to obtain Covered Benefits and the circumstances under which these benefits will be provided to you. We recommend you read this Member Handbook thoroughly and keep it in a place where you can refer to it easily. Members with special health care needs should carefully read those sections that apply to them.

For easier reading, we capitalized words throughout this Member Handbook to let you know that you can find their meanings in the GLOSSARY section.

Thank you for selecting Sharp Health Plan for your health plan benefits. Your health and satisfaction with our service are most important to us. We encourage you to let us know how we may serve you better by calling us at (858) 499-8300 or toll-free at 1-800-359-2002. Our Customer Care Representatives are available Monday through Friday from 8:00 a.m. to 6:00 p.m. to answer any questions you may have. Additionally, after hours and on weekends, you have access to a specially trained registered nurse for immediate medical advice by calling the same Customer Care phone number.

Sharp Health Plan is a San Diego-based health care service plan licensed by the State of California. We are a managed care system that combines comprehensive medical and preventive care in one plan. You receive preventive care and health care services from a network of providers who are focused on keeping you healthy. You have the added convenience of not submitting paperwork or bills for reimbursement.

Booklets and Information

We will provide you with booklets and information, including this Member Handbook, the Health Plan Benefits and Coverage Matrix, a Provider Directory and a Member Resource Guide, to help you understand and use your benefit plan. It is very important that you read this information to better understand your benefit plan and how to access care, and then retain the booklets and information for reference. This information is also available online at sharphealthplan.com.

Member Handbook

This Member Handbook explains your health plan membership, how to use your benefit plan and access care, and whom to call if you need assistance. This Member Handbook is very important because it describes your Covered Benefits and explains how

your health plan works. For easier reading, we capitalized words throughout this Member Handbook to let you know that you can find their meanings in the "GLOSSARY" section.

Health Plan Benefits and Coverage Matrix

This brochure outlines the applicable Deductible(s), Coinsurances, Copayments and Out-of-Pocket Maximum that apply to the benefit plan your Employer purchased. The Health Plan Benefits and Coverage Matrix, also commonly referred to as the Summary of Benefits, is considered part of the Member Handbook.

Provider Directory

This directory is a listing of Plan Physicians, Plan Hospitals and other Plan Providers in your Plan Network. This directory is very important because it lists the Plan Providers from whom you obtain all non-Emergency Services. You will find the name of the Plan Network that you are associated with on your Member identification card. It is very important to use the correct Plan Network. Use the correct directory to choose your Primary Care Physician, who will be responsible for providing or coordinating all your health care needs. The directories are available online at sharphealthplan.com. You may also request a directory by calling Customer Care.

Member Resource Guide

We distribute this guide annually to Subscribers. The guide includes information about health care, our Member Advisory Committee (also called the Public Policy Advisory Committee), health education (prevention and wellness information) and how to get the most out of your health plan benefits.

HOW DOES THE PLAN WORK?

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. ALL REFERENCES TO PLAN PROVIDERS, PLAN MEDICAL GROUPS, PLAN HOSPITALS AND PLAN PHYSICIANS IN THIS MEMBER HANDBOOK REFER TO PROVIDERS AND FACILITIES IN YOUR PLAN NETWORK, AS IDENTIFIED ON YOUR MEMBER IDENTIFICATION CARD.

Please read this Member Handbook carefully to understand how to get the most out of your health plan benefits. After you have read the Member Handbook, we encourage you to call Customer Care with any questions. To begin, here are the basics that explain how to make the Plan work best for you.

Choice of Plan Physicians and Plan Providers

Sharp Health Plan Providers are located throughout San Diego County and, in some Plan Networks, southern Riverside County. The Provider Directory lists the addresses and phone numbers of Plan Providers, including PCPs, hospitals and other facilities.

- The Plan has several physician groups (called Plan Medical Groups or PMGs) from which you choose your Primary Care Physician (PCP) and through which you receive specialty physician care or access to hospitals and other facilities. In some Plan Networks, you can also select a PCP who is contracted directly with the Plan. If you choose one of these PCPs, your PMG will be "Independent".

- You select a PCP for yourself and one for each of your Dependents. Look in the Provider Directory for your Plan Network to find your current doctor or select a new one if he/she is not listed. Family members may select different PCPs and PMGs to meet their individual needs, except as described below. If you need help selecting a PCP, please call Customer Care.
- In certain cases, newborns are assigned to the mother's PMG until the first day of the month following birth. You may assign your newborn to a different PCP or PMG following the birth month by calling Customer Care.
- Write your PCP selection on your enrollment form and give it to your Employer.
- If you are unable to select a doctor at the time of enrollment, we will select one for you so that you have access to care immediately. If you would like to change your PCP, just call Customer Care. We recognize that the choice of a doctor is a personal one, and encourage you to select a PCP who best meets your needs.
- You and your Dependents obtain Covered Benefits through your PCP and from the Plan Providers who are affiliated with your PMG. If you need to be hospitalized, your PCP will generally direct your care to the Plan Hospital or other Plan facility where he/she has admitting privileges. Since PCPs do not usually maintain privileges at all facilities, you may want to check with your PCP to see where he/she admits patients. If you would like assistance with this information, please call Customer Care.
- Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, clinic or Customer Care to ensure that you can obtain the health care services that you need.
- You can contact your PCP's office 24 hours a day. If your PCP is not available or if it is after regular office hours, a message will be taken. Your call will be returned by a qualified health professional within 30 minutes.
- If you are unable to reach your PCP, please call Customer Care. You have access to our nurse advice line evenings and weekends for immediate medical advice.
- If you have an Emergency Medical Condition, call "911" or go to the nearest hospital emergency room.
- All Members have direct and unlimited access to OB/GYN Plan Physicians as well as PCPs (family practice, internal medicine, etc.) in their Primary Care Physician's PMG for obstetric and gynecologic services.

Present Your Member ID Card and Pay Your Cost

Always present your Member ID card to Plan Providers. If you have a new ID card because you changed PCPs or PMGs, be sure to show your provider your new card.

When you receive care, you pay the provider any applicable Deductible, Copayment or Coinsurance specified on the Health Plan Benefits and Coverage Matrix. For convenience, some Copayments and Coinsurance are also shown on your Member ID card.

Call us with questions at (858) 499-8300 or toll-free at 1-800-359-2002, or email us at customer.service@sharp.com.

Call Your PCP When You Need Care

- Call your PCP for all your health care needs. Your PCP's name and telephone number are shown on your Member Identification (ID) Card. You will receive your ID card soon after you enroll. If you are a new patient, forward a copy of your medical records to your PCP before you are seen, to enable him/her to provide better care.
- Make sure to tell your PCP about your complete health history, as well as any current treatments, medical conditions or other doctors who are treating you.
- If you have never been seen by your PCP, you should make an appointment for an initial health assessment. If you have a more urgent medical problem, don't wait until this appointment. Speak with your PCP or other health care professional in the office, and they will direct you appropriately.

HOW DO YOU OBTAIN MEDICAL CARE?

Use Your Member ID Card

The Plan will send you and each of your Dependents a Member ID card that shows your Member number, benefit information, certain Copayments, your Plan Network, your PMG, your PCP's name and telephone number, and information about obtaining Emergency Services. Present this card whenever you need medical care and identify yourself as a Sharp Health Plan Member. Your ID card can only be used to obtain care for yourself. If you allow someone else to use your ID card, the Plan will not cover the services and may terminate your coverage. If you lose your ID card or require medical services prior to receiving your ID card, please call Customer Care. You can also request an ID card or print a temporary ID card online at sharphealthplan.com by logging onto Sharp Connect.

Access Health Care Services Through Your Primary Care Physician

Call Your PCP for all Your Health Care Needs

Your PCP will provide the appropriate services or referrals to other Plan Providers. If you need specialty care, your PCP will refer you to a specialist. All specialty care must be coordinated through your PCP. You may receive a standing referral to a specialist if your Primary Care Physician determines, in consultation with the specialist and the Plan, that you need continuing care from a specialist. Your PCP can tell you how to obtain a standing referral if you need one.

If you fail to obtain Authorization from your PCP, care you receive may not be covered by the Plan and you may be responsible to pay for the care. Remember, however, that women have direct and unlimited access to OB/GYNs as well as PCPs (family practice, internal medicine, etc.) in their Primary Care Physician's PMG for obstetric and gynecologic services. You will not be required to obtain prior Authorization for sexual and reproductive health services in your Plan Network.

Use Sharp Health Plan Providers

You receive Covered Benefits from Plan Providers who are affiliated with your PMG and who are part of your Plan Network. To find out which Plan Providers are affiliated with your PMG and part of your Plan Network, refer to the Provider Directory for your Plan Network or call Customer Care. If Covered Benefits are not available from Plan Providers affiliated with your PMG, you will be referred to another Plan Provider to receive such Covered Benefits. Availability of Plan Providers will be assessed based on your specific medical needs, provider expertise, geographic access, and appointment availability. You are responsible to pay for any care not provided by Plan Providers affiliated with your PMG, unless your PMG has Authorized the service in advance or it is an Emergency Service.

Use Sharp Health Plan Hospitals

If you need to be hospitalized, your Plan Physician will admit you to a Plan Hospital that is affiliated with your PMG and part of your Plan Network. If the hospital services you require are not available at a Plan Hospital affiliated with your PMG, you will be referred to another Plan Hospital to receive such hospital services. To find out which Plan Hospitals are affiliated with your PMG, please check the Provider Directory online at sharphealthplan.com, or call Customer Care. You are responsible to pay for any care that is not provided by Plan Hospitals affiliated with your PMG, unless your PMG has Authorized the service in advance or it is an Emergency Service.

Schedule Appointments

When it is time to make an appointment, simply call the doctor that you have selected as your PCP. Your PCP's name and phone number are shown on the Member ID card that you receive when you enroll as a Sharp Health Plan Member. Remember, only Plan Providers may provide Covered Benefits to Members.

Timely Access to Care

Making sure you have timely access to care is extremely important to us. Check out the charts below to plan ahead.

Appointment wait times

Urgent Appointments	Maximum wait time after request
PCP, no prior Authorization required	48 hours
Prior Authorization required	96 hours

Non-Urgent Appointments	Maximum wait time after request

Exceptions to appointment wait times

Your wait time for an appointment may be extended if your health care provider has determined and noted in your record that the longer time wait will not be detrimental to your health.

Your appointments for preventive and periodic follow up care services (e.g. standing referrals to specialists for Chronic Conditions, periodic visits to monitor and treat pregnancy, cardiac, or mental health conditions, and laboratory and radiological monitoring for recurrence of disease) may be scheduled in advance, consistent with professionally recognized standards of practice, and exceed the listed wait times.

Triage or screening services (24 hours/day and 7 days/week)	30 minutes

Interpreter services at scheduled appointments

Sharp Health Plan provides free interpreter services at scheduled appointments. For language interpreter services, please call Customer Care: 1-800--359-2002. The hearing and speech impaired may dial "711" or use California's Relay Service's toll-free numbers to contact us:

- 1-800-735-2922 Voice
- 1-800-735-2929 TTY
- 1-800-855-3000 Voz en español y TTY (teléfono de texto)

Members must make requests for face-to-face interpreting services at least three (3) days prior to the appointment date. In the event that an interpreter is unavailable for face-to-face interpreting, Customer Care can arrange for telephone interpreting services.

Referrals to Non-Plan Providers

Sharp Health Plan has an extensive network of high quality Plan Providers throughout the Service Area. Occasionally, however, Plan Providers may not be able to provide the services you need that are covered by the Plan. If this occurs, your PCP will refer you to a provider where the services you need are available. You should make sure that these services are Authorized in advance. If the services are Authorized, you pay only the Copayments you would pay if the services were provided by a Plan Provider.

Changing Your PCP

It is a good idea to stay with a PCP so your doctor can get to know your health needs and medical history. However, you have the option to change your PCP to a different doctor in your Plan Network for any reason. If you select a PCP in a different PMG, you will have access to a different group of specialists, hospitals, and other providers. Your new PCP may also need to submit Authorization requests for specialty care, Durable Medical Equipment or other Covered Benefits you need. See the section below titled **Obtain Required Authorization** for more information.

If you wish to change your PCP, please call or email Customer Care. One of our Customer Care Representatives will help you choose a new doctor. In general, the change will be effective on the first day of the month following your call or email.

Obtain Required Authorization

Except for PCP services, outpatient mental health or chemical dependency office visits, MinuteClinic services, Emergency Services and obstetric and gynecologic services, you are responsible for obtaining valid Authorization before you receive Covered Benefits. To obtain a valid Authorization:

1. Prior to receiving care, contact your PCP or other approved Plan Provider to discuss your treatment plan.
2. Request prior Authorization for the Covered Benefits that have been ordered by your doctor. Your PCP or other Plan Provider is responsible for requesting Authorization from Sharp Health Plan or your Plan Medical Group.
3. If Authorization is approved, obtain the expiration date for the Authorization. You must access care before the expiration date with the Plan Provider identified in the approved Authorization.

A decision will be made on the Authorization request in a timely fashion based on the nature of your medical condition, but no later than five business days. A letter will be sent to you within two business days of the decision.

If waiting five days would seriously jeopardize your life or health or your ability to regain maximum function or, in your doctor's opinion, it would subject you to severe pain that cannot be adequately managed without the care or treatment that is being requested, you will receive a decision no later than 72 hours after receipt of the Authorization request.

If we do not receive enough information to make a decision regarding the Authorization request, we will send you a letter within five days to let you know what additional information is needed. We will give you or your provider at least 45 days to provide the additional information. (For urgent Authorization requests, we will notify you and your provider by phone within 24 hours and give you or your provider at least 48 hours to provide the additional information.)

If you receive Authorization for an ongoing course of treatment, we will not reduce or stop the previously authorized treatment before providing you with an opportunity to Appeal the decision to reduce or stop the treatment.

The Plan uses evidence-based guidelines for Authorization, modification or denial of services as well as Utilization Management, prospective, concurrent and retrospective review. Plan specific guidelines are developed and reviewed on an ongoing basis by the Plan Medical Director, Utilization Management Committee and appropriate physicians to assist in determination of community standards of care. A description of the medical review process or the guidelines used in the process will be provided upon request.

If you change to a new PMG as a result of a PCP change, you will need to ask your new PCP to submit Authorization requests for any specialty care, Durable Medical Equipment or other Covered Benefits you need. The Authorizations from your previous PMG will no longer be valid. Be sure to contact your new PCP promptly if you need Authorization for a specialist or other Covered Benefits.

If services requiring prior Authorization are obtained without the necessary Authorization, you may be responsible for the entire cost.

Second Opinions

When a medical or surgical procedure or course of treatment (including mental health or chemical dependency treatment) is recommended, and either the Member or the Plan Physician requests, a second opinion may be obtained. You may request a second opinion for any reason, including the following:

1. You question the reasonableness or necessity of recommended surgical procedures.
2. You question a diagnosis or plan of care for a condition that threatens loss of life, limb or bodily function, or substantial impairment, including, but not limited to, a serious Chronic Condition.
3. The clinical indications are not clear or are complex and confusing, a diagnosis is in doubt due to conflicting test results, or the treating health professional is unable to diagnose the condition and you would like to request an additional diagnosis.
4. The treatment plan in progress is not improving your medical condition within an appropriate period of time given the diagnosis and plan of care, and you would like a second opinion regarding the diagnosis or continuance of the treatment.
5. You have attempted to follow the plan of care or consulted with the initial provider concerning serious concerns about the diagnosis or plan of care.
6. You or the Plan Physician who is treating you has serious concerns regarding the accuracy of the pathology results and requests a specialty pathology opinion.

A second opinion about care from your PCP must be obtained from another Plan Physician within your PMG. If you would like a second opinion about care from a specialist, you or your Plan Physician may request Authorization to receive the second opinion from any qualified Provider within the Plan's Network. If there is no qualified provider within the Plan's Network, you may request Authorization for a second opinion from a provider outside the Plan's Network. If a Provider outside the Plan's Network provides a second opinion, that Provider should not perform, assist or provide care, as the Plan does not provide reimbursement for such care.

Members and Plan Physicians request a second opinion through their PMG or through the Plan. Requests will be reviewed and facilitated through the PMG or Plan Authorization process. If you have any questions about the availability of second opinions or would like a copy of the Plan's policy on second opinions, please call Customer Care.

Emergency Services and Care

Emergency Services are not a substitute for seeing your PCP. Rather, they are intended to provide emergency needed care in a timely manner when you require these services.

Emergency Services means those Covered Benefits, including Emergency Services and Care, provided inside or outside the Service Area, that are medically required on an immediate basis for treatment of an Emergency Medical Condition. Sharp Health Plan covers 24-hour emergency care. An Emergency Medical Condition is a medical condition, manifesting itself by acute symptoms of sufficient severity, including severe pain, such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

1. Placing the patient's health in serious jeopardy;
2. Serious impairment of bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Emergency Services and Care means:

1. Medical screening, examination, and evaluation by a physician and surgeon, or, to the extent permitted by applicable law, by other appropriate personnel under the supervision of a physician and surgeon, to determine if an Emergency Medical Condition or Active Labor exists and, if it does, the care, treatment, and surgery, if within the scope of that person's license, necessary to relieve or eliminate the Emergency Medical Condition, within the capability of the facility; and
2. An additional screening, examination, and evaluation by a physician, or other personnel to the extent permitted by applicable law and within the scope of their licensure and clinical privileges, to determine if a psychiatric Emergency Medical Condition exists, and the care and treatment necessary to relieve or eliminate the psychiatric Emergency Medical Condition within the capability of the facility.

What To Do When You Require Emergency Services

- If you have an Emergency Medical Condition, call "911" or go to the nearest hospital emergency room. It is not necessary to contact your PCP before calling "911" or going to a hospital if you believe you have an Emergency Medical Condition.
- If you are unsure whether your condition requires Emergency Services, call your PCP (even after normal business hours). Your PCP can help decide the best way to get treatment and can arrange for prompt emergency room care. However, do not delay getting care if your PCP is not immediately available. Members are encouraged to use the "911" emergency response system appropriately when they have an Emergency Medical Condition that requires an emergency response.
- If you go to an emergency room and you do not have an emergency, you may be responsible for payment.
- If you are hospitalized in an emergency, please notify your PCP or Sharp Health Plan within 48 hours or at the earliest time reasonably possible. This will allow your Plan Physician to share your medical history with the hospital and help coordinate your care. If you are hospitalized outside of the Service Area, your Plan Physician and the Plan may arrange for your transfer to a Plan Hospital if your medical condition is sufficiently stable for you to be transferred.

- Paramedic ambulance services are covered when provided in conjunction with Emergency Services.
- Some non-Plan providers may require that you pay for Emergency Services and seek reimbursement from the Plan. On these occasions, obtain a complete bill of all services rendered and a copy of the emergency medical report, and forward them to the Plan right away for reimbursement.
- If you need follow-up care after you receive Emergency Services, call your PCP to make an appointment or for a referral to a specialist. Do not go back to the hospital emergency room for follow-up care, unless you are experiencing an Emergency Medical Condition.
- You are not financially responsible for payment of Emergency Services, in any amount the Plan is obligated to pay, beyond your Copayment and/or Deductible. You are responsible only for applicable Copayments or Deductibles, as listed on the Health Plan Benefits and Coverage Matrix.

Urgent Care Services

Urgent conditions are not emergencies, but may need prompt medical attention. Urgent Care Services are not a substitute for seeing your own PCP. They are intended to provide urgently needed care in a timely manner when your PCP has determined that you require these services or you are outside the Plan's Service Area and require Urgent Care Services.

What To Do When You Require Urgent Care Services

If you need Urgent Care Services and are in the Plan's Service Area, you must use an urgent care facility within your PMG; however, you must call your PCP first. If, for any reason, you are unable to reach your PCP, please call Customer Care. You have access to a registered nurse evenings and weekends for immediate medical advice by calling our toll-free Customer Care number at 1-800-359-2002. They can talk with you about an illness or injury, help you decide where to seek care and provide advice on any of your health concerns.

Out-of-Area Urgent Care Services are considered Emergency Services and do not require an Authorization from your PCP. If you are outside the Service Area and need Urgent Care Services, you should still call your PCP. Your PCP may want to see you when you return in order to follow up with your care.

Language Assistance Services

Sharp Health Plan provides free interpreter and language translation services for all Members. If you need language interpreter services to help you talk to your doctor or health plan or to assist you in obtaining care, please call Customer Care. Let us know your preferred language when you call. Customer Care has representatives who speak English and Spanish. We also have access to interpreting services in over 100 languages. If you need someone to explain medical information while you are at your doctor's office, ask them to call us. You may also be able to get materials that are written in your preferred language. For free language assistance, please call us at (858) 499-8300 or toll-free at 1-800-359-2002. We will be glad to help.

Access for the Vision Impaired

This Member Handbook and other important Plan materials will be made available in alternate formats for the vision impaired, such as on a computer disk where text can be enlarged or in Braille. For more information about alternative formats or for direct help in reading the Member Handbook or other materials, please call Customer Care.

Pre-existing Conditions

Subject to the limitations described in the section of this Member Handbook titled "**HOW DO YOU ENROLL IN SHARP HEALTH PLAN?**", pre-existing conditions, including pregnancy, are covered with no waiting period or particular coverage limitations or exclusions. Upon the effective date of your enrollment, you and your Dependents are immediately covered for any pre-existing conditions.

Case Management

While all of your medical care is coordinated by your PCP, Sharp Health Plan and your doctor have agreed that the Plan will be responsible for catastrophic case management. This is a service for very complex cases in which the Plan's case management nurses work closely with you and your doctor to develop and implement the most appropriate treatment plan for your medical needs.

At Sharp Health Plan, our medical practitioners make Utilization Management decisions based only on appropriateness of care and service (after confirming health coverage). Medical practitioners and individuals who conduct utilization reviews are not rewarded for denials of coverage for care and service. There are no incentives for Utilization Management decision-makers that encourage decisions resulting in underutilization of health care services. Sharp Health Plan is available from 8:00 a.m. to 5:00 p.m., Monday to Friday to answer questions from providers and Members regarding Utilization Management. After business hours Members have the option of leaving a voicemail for a return call by the next business day. When returning calls our staff will identify themselves by name, title and organization name.

WHAT DO YOU PAY?

Premiums

Your Employer pays Premiums to Sharp Health Plan by the premium due date each month for you and your Dependents. Your Employer will notify you if you need to make any contribution to the Premium or if the Premium changes. Often, your share of the cost will be deducted from your salary. Premiums may change at renewal, if your Employer changes the benefit plan, or if you or your Dependent(s) reach certain ages.

Copayments

A Copayment, sometimes referred to as a “copay”, is a specific dollar amount (for example, \$20) you pay for a particular Covered Benefit. If your benefit plan includes a Deductible, you may be required to satisfy the Deductible prior to paying the Copayment amount. Please see your Summary of Benefits for details. If the contracted rate for a Covered Benefit is less than the Copayment, you pay only the contracted rate. The example below illustrates how a Copayment is applied.

Example: If Sharp Health Plan’s contracted rate for a specialist office visit is \$100 and your Copayment is \$50:

- If your benefit plan does not apply a Deductible to specialist office visits, or if you have paid your Deductible: You pay \$50. Sharp Health Plan would cover the remaining \$50.
- If your benefit plan applies a Deductible to specialist office visits and you have not met your Deductible: You pay the full amount of \$100.

You are responsible to pay applicable Copayments for any Covered Benefit you receive. Copayments are due at the time of

service. Sharp Health Plan is not responsible for the coordination and collection of Copayments. The provider, or pharmacy in the case of outpatient prescription drugs, is responsible for the collection of Copayments. Copayment amounts vary depending on the type of care you receive.

Copayment amounts are listed on your Summary of Benefits. For your convenience, Copayments for the most commonly used benefits are also shown on your Member ID card. Copayments will not change during the Benefit Year. The Copayments listed on the Summary of Benefits apply to each Member (including eligible newborns).

Coinsurance

Coinsurance is the percentage of costs you pay (for example, 20%) for a Covered Benefit. If your benefit plan includes a Deductible, you may be required to satisfy the Deductible prior to paying the Coinsurance amount. Please see your Summary of Benefits for details. The example below illustrates how Coinsurance is applied.

Example: If Sharp Health Plan’s contracted rate for a specialist office visit is \$100 and your Coinsurance is 20%:

- If your benefit plan does not apply a Deductible to specialist office visits, or if you have paid your Deductible: You pay \$20 (20% of \$100). Sharp Health Plan would cover the remaining \$80.
- If your benefit plan applies a Deductible to specialist office visits and you have not met your Deductible: You pay the full amount of \$100.

You are responsible to pay applicable Coinsurance for any Covered Benefit you receive. Coinsurance payments are due at the time of service. Sharp Health Plan is not responsible for the coordination and collection of Coinsurance payments. The provider, or pharmacy in the case of outpatient prescription drugs, is responsible for the collection of the Coinsurance amount.

Coinsurance amounts may vary depending on the type of care you receive. The Coinsurance percentages are listed on your Summary of Benefits. For your convenience, Coinsurance percentages for the most commonly used benefits are also shown on your Member ID card. Coinsurance percentages will not change during the Benefit Year. The Coinsurance amounts listed on the Summary of Benefits apply to each Member (including eligible newborns).

Deductibles

Some, but not all, benefit plans include a Deductible. If you have a Deductible, it will be listed on your Summary of Benefits. You may have one Deductible for medical services and a separate Deductible for brand name prescription drugs, or you may have a combined Deductible for medical services and prescription drugs.

A Deductible is the amount you must pay each Calendar Year or Benefit Year, depending on the benefit plan you are enrolled in, for certain Covered Benefits before we will start to pay for those Covered Benefits. Deductibles will not change during the Benefit Year. The Deductible may not apply to all Covered Benefits. Please see your Summary of Benefits for details. The amounts you are required to pay for the Covered Benefits subject to a Deductible are based upon Sharp Health Plan's cost for the Covered Benefit. Once you have met your annual Deductible, you pay the applicable Copayment or Coinsurance for Covered Benefits, and we pay the rest. For most benefit plans, the Deductible starts over each Calendar Year. However, for some benefit plans, the Deductible will start over on the first day of your Benefit Year (i.e., the date on which your Employer renews coverage, as established between your Employer and Sharp Health Plan). Refer to your Summary of Benefits to see if your Deductible is applied each Calendar Year or Benefit Year.

The following expenses will not count towards the Deductible:

- Premium contributions,
- Charges for Covered Benefits that are not subject to the Deductible,
- Charges for services and prescription drugs not covered under the benefit plan (see the section titled "WHAT IS NOT COVERED?" for a list of exclusions and limitations), and
- Charges for services that exceed specific treatment limitations explained in this Member Handbook or noted in the Summary of Benefits.

How Does the Annual Deductible Work?

If you pay the Individual Deductible amount, no further Deductible payments are required from you for the specific Covered Benefits subject to that Deductible for the remainder of the Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Deductible each Benefit Year). Premium contributions and any applicable Copayments and Coinsurance are still required.

If you have Family Coverage, your benefit plan includes a Family Deductible. Each Member, including a newborn Dependent, also has an Individual Deductible. Each individual in the family can satisfy the Deductible in one of two ways:

- If you meet your Individual Deductible, then Covered Benefits subject to that Deductible will be covered for you by Sharp Health Plan, subject to any applicable Coinsurance or Copayment, for the remainder of the Calendar Year or Benefit Year. The remaining enrolled family members must continue to pay the applicable Individual Deductible amount until either (a) the sum of Deductibles paid by the family reaches the Family Deductible amount or (b) each enrolled family member meets his/her Individual Deductible amount, whichever occurs first.
- If any number of covered family members collectively meet the Family Deductible, then Covered Benefits subject to that Deductible will be covered for the entire family by Sharp Health Plan, subject to any applicable Coinsurance or Copayment, for the remainder of the Calendar Year or Benefit Year.

The maximum amount that any one covered family member can contribute toward the Family Deductible is the amount applied toward the Individual Deductible. Any amount you pay for the specified Covered Benefits that would otherwise apply to your Individual Deductible, but which exceeds the Individual Deductible amount, will be refunded to you and will not apply toward your Family Deductible amount.

Annual Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the total amount of Copayments, Deductibles, and Coinsurance you pay each Calendar Year or Benefit Year, depending on the benefit plan you are enrolled in, for Covered Benefits, excluding supplemental benefits. The annual Out-of-Pocket Maximum amount is listed on your Summary of Benefits. For most benefit plans, the Out-of-Pocket Maximum starts over each Calendar Year. However, for some benefit plans, the Out-of-Pocket Maximum will start over on the first day of your Benefit Year (i.e., the date on which your Employer renews coverage, as established between your Employer and Sharp Health Plan). Refer to your Summary of Benefits to see if your Out-of-Pocket Maximum is applied each Calendar Year or Benefit Year.

The following expenses will not count towards satisfying the Out-of-Pocket Maximum:

- Premium contributions,
- Charges for services and prescription drugs not covered under the benefit plan (see the section titled "WHAT IS NOT COVERED?" for a list of exclusions and limitations),
- Charges for services that exceed specific treatment limitations explained in this Member Handbook or noted in the Summary of Benefits, and
- Copayments, Deductibles, and Coinsurance for supplemental benefits (e.g., chiropractic services).

How Does the Annual Out-of-Pocket Maximum Work?

All Copayments, Deductibles and Coinsurance amounts you pay for Covered Benefits, except supplemental benefits, count toward the Out-of-Pocket Maximum. If your total payments for Covered Benefits, excluding supplemental benefits, reach the Individual Out-of-Pocket Maximum amount, no further Copayments, Deductibles, or Coinsurance are required from you for Covered Benefits (excluding supplemental benefits) for the remainder of the Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Out-of-Pocket Maximum each Benefit Year). Premium contributions are still required.

If you have Family Coverage, your benefit plan includes a Family Out-of-Pocket Maximum. Each Member also has an Individual Out-of-Pocket Maximum. Each individual in the family can satisfy the Out-of-Pocket Maximum in one of two ways:

- If you meet your Individual Out-of-Pocket Maximum, then Covered Benefits (excluding supplemental benefits) will be paid by Sharp Health Plan at 100% for you for the remainder of the Calendar Year or Benefit Year. The remaining enrolled family members must continue to pay applicable Deductibles, Copayments and Coinsurance amounts until either (a) the sum of Cost Shares paid by the family reaches the Family Out-of-Pocket Maximum amount or (b) each enrolled family member meets his/her Individual Out-of-Pocket Maximum amount, whichever occurs first.
- If any number of covered family members collectively meet the Family Out-of-Pocket Maximum, then Covered Benefits (excluding supplemental benefits) will be paid by Sharp Health Plan at 100% for the entire family for the remainder of the Calendar Year or Benefit Year.

The maximum amount that any one covered family member can contribute toward the Family Out-of-Pocket Maximum is the amount applied toward the Individual Out-of-Pocket Maximum. Any amount you pay for Covered Benefits (excluding supplemental benefits) for yourself that would otherwise apply to your Individual Out-of-Pocket Maximum, but which exceeds the Individual Out-of-Pocket Maximum, will be refunded to you and will not apply toward your Family Out-of-Pocket Maximum.

How to Inform Sharp Health Plan if You Reach the Annual Out-of-Pocket Maximum

Keep the receipts for all Copayments, Deductibles, and Coinsurance you pay. If you meet or exceed your annual Out-of-Pocket Maximum, mail your receipts to Customer Care. We will make arrangements for your Copayments, Deductibles, and Coinsurance to be waived for the remainder of the Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Out-of-Pocket Maximum each Benefit Year). If you have exceeded your annual Out-of-Pocket Maximum, we will reimburse you the difference within 60 days of verification of the amount.

Sharp Health Plan will also keep track of payments you have made towards your annual Out-of-Pocket Maximum. When you pay a Deductible for a Covered Service, we will send you a statement called an "Explanation of Benefits" (EOB). Your EOB will include a statement summarizing the amounts you have paid

to date toward your Deductible and the annual Out-of-Pocket Maximum. You can also call Customer Care to obtain your most recent Out-of-Pocket Maximum and/or Deductible totals.

Health Savings Account (HSA) Qualified High Deductible Health Plans

If you are enrolled in an HSA-qualified High Deductible Health Plan (HDHP), your Deductible and Out-of-Pocket Maximum will work differently. An HSA-qualified HDHP is one that meets IRS guidelines to allow you to contribute to an HSA. An HSA is a type of savings account that lets you set aside money on a pre-tax basis to pay for qualified medical expenses. You are not required to have an HSA if you are enrolled in an HSA-qualified HDHP. If you are unsure whether you are enrolled in an HDHP, please call Customer Care.

Self-Only Coverage Plan

If you are enrolled in an HSA-qualified HDHP for Self-Only Coverage, you must meet the Deductible for Self-Only Coverage and the Out-of-Pocket Maximum for Self-Only Coverage. These amounts are listed on your Summary of Benefits. Once you meet the Deductible for Self-Only Coverage, Covered Benefits subject to that Deductible are covered for you by the Plan, subject to any applicable Coinsurance or Copayment, for the remainder of the Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Out-of-Pocket Maximum each Benefit Year). Once you meet the Out-of-Pocket Maximum for Self-Only Coverage, Sharp Health Plan covers Covered Benefits (excluding supplemental benefits) at 100% for you for the remainder of the Calendar Year (or Benefit Year).

Family Coverage Plan

If you have Family Coverage, your benefit plan includes a Family Deductible and Family Out-of-Pocket Maximum. Each Member also has an Individual Deductible and Individual Out-of-Pocket Maximum. Each individual in the family can satisfy the Deductible in one of two ways:

- If you meet your Individual Deductible, then Covered Benefits, including covered prescription drugs, subject to that Deductible will be covered for you by Sharp Health Plan, subject to any applicable Coinsurance or Copayment, for the remainder of the Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Out-of-Pocket Maximum each Benefit Year).
- If any number of covered family members collectively meet the Family Deductible, then Covered Benefits, including covered prescription drugs, subject to that Deductible will be covered for the entire family by Sharp Health Plan, subject to any applicable Coinsurance or Copayment, for the remainder of the Calendar Year (or Benefit Year).

The maximum amount that any one covered family member can contribute toward the Family Deductible is the amount applied toward the Individual Deductible.

Each individual in the family can satisfy the Out-of-Pocket Maximum in one of two ways:

- If you meet your Individual Out-of-Pocket Maximum, then Covered Benefits (including covered prescription drugs, but excluding supplemental benefits) will be paid by Plan at 100% for you for the remainder of the Calendar Year (or Benefit Year).
- If any number of covered family members collectively meet the Family Out-of-Pocket Maximum, then Covered Benefits (including covered prescription drugs, but excluding supplemental benefits) will be paid by Sharp Health Plan at 100% for the entire family for the remainder of the Calendar Year (or Benefit Year).

The maximum amount that any one covered family member can contribute toward the Family Out-of-Pocket Maximum is the amount applied toward the Individual Out-of-Pocket Maximum.

Deductible Credits

If you have already met part of the Deductible with a previous health plan, Sharp Health Plan will give you a credit toward your Sharp Health Plan Deductible for approved amounts that were applied toward your Deductible with your previous health plan (for the same Calendar Year or Benefit Year). That amount will also be counted towards your Out-of-Pocket Maximum on your Sharp Health Plan benefit plan.

If you are enrolled in a Grandfathered Plan, no credit is given for Deductible amounts paid for outpatient prescription drugs. To request a Deductible credit, complete the Deductible Credit Request Form, available at sharphealthplan.com under "Member Forms" in the Member section of the website, and send the form with the most current copy of the explanation of benefits (EOB) from your previous health plan to Sharp Health Plan.

If you have any questions, please contact Customer Care at 1-800-359-2002 or customer.service@sharp.com.

What if You Get a Medical Bill?

You are only responsible for paying your contributions to the monthly Premium and any required Deductibles, Copayments or Coinsurance for the Covered Benefits you receive. Contracts between Sharp Health Plan and its Plan Providers state that you will not be liable to Plan Providers for sums owed to them by the Plan. You should not receive a medical bill from a Plan Provider for Covered Benefits unless you fail to obtain Authorization for non-Emergency Services. If you receive a bill in error, call the provider who sent you the bill to make sure they know you are a Member of Sharp Health Plan. If you still receive a bill, contact Customer Care as soon as possible.

Some doctors and hospitals that are not contracted with Sharp Health Plan (for example, emergency departments outside Sharp Health Plan's Service Area) may require you to pay at the time you receive care. If you pay for Covered Benefits, you can request reimbursement from Sharp Health Plan. Go to sharphealthplan.com or call Customer Care to request a member reimbursement form. You will also need to send written evidence of the care you received and the amount you paid (itemized bill, receipt, medical records). We will reimburse you for Covered Benefits within 30 calendar days of receiving your complete information. You must send your request for reimbursement to Sharp Health Plan within 180 calendar days of the date you received care. If you are unable to submit your request within 180 calendar days from the date you received care, please provide documentation showing why it was not reasonably possible to submit the information within 180 days.

We will make a decision about your request for reimbursement and, as applicable, send you a reimbursement check within 30 calendar days of receiving your complete information. If any portion of the reimbursement request is not covered by Sharp Health Plan, we will send you a letter explaining the reason for the denial and outlining your Appeal rights.

In some cases, a non-Plan Provider may provide Covered Benefits at an in-network facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the Covered Benefits you receive at in-network facilities where we have authorized you to receive care.

Some actions we take as a health plan include: checking your eligibility and enrollment; approving and paying for health care services; investigating or prosecuting fraud; checking the quality of care that you receive; and coordinating the care you receive. Some examples include:

For treatment: You may need medical treatment that requires us to approve care in advance. We will share information with doctors, hospitals and others in order to get you the care you need.

For payment: Sharp Health Plan reviews, approves and pays for health care claims sent to us for your medical care. When we do this, we share information with the doctors, clinics and others who bill us for your care. And we may forward bills to other health plans or organizations for payment.

- We may disclose health information, when necessary, to prevent a serious threat to your health or safety or the health and safety of another person or the public. Such disclosures would be made only to someone able to help prevent the threat.
- We provide Employers only with the information allowed under the federal law. This information includes summary data about their group and information concerning Premium and enrollment data. The only other way that we would disclose your Protected Health Information to your Employer is if you authorized us to do so.

You can include any information you think is important for your Grievance or Appeal. Please call Customer Care if you need any assistance in completing the form.

There are separate processes for clinical and administrative Grievances and Appeals. Clinical cases are those that require a clinical body of knowledge to render a decision. Only a physician or committee of physicians can render a decision about a clinical Grievance or Appeal. The person who reviews and decides your Appeal will not be the same person who made the initial decision or that person's subordinate.

Except for an Appeal of a denial of coverage for a non-formulary drug, which follows the timeframes described below, we will acknowledge receipt of your Grievance or Appeal within five days, and will send you a decision letter within 30 calendar days. If the Grievance or Appeal involves an imminent and serious threat to your health, including, but not limited to, severe pain,

potential loss of life, limb or major bodily function, we will provide you with a decision within 72 hours.

If your Appeal involves a request for coverage of a non-formulary drug (referred to as a non-formulary exception request), we will provide you with a decision within 72 hours. A request may be expedited if urgent, in which case we will provide you with a decision within 24 hours. A non-formulary exception request is considered urgent when a Member is suffering from a health condition that may seriously jeopardize the Member's life, health, or ability to regain maximum function or when the Member is undergoing a current course of treatment using the non-formulary drug.

External Review for Non-Formulary Prescription Drug Exception Requests

If we deny a request for coverage of a non-formulary drug, you, your Authorized Representative or your doctor may request that the original exception request and subsequent denial of such request be reviewed by an independent review organization (IRO). You, your Authorized Representative or your doctor may submit a request for IRO review up to 180 calendar days following the non-formulary drug exception request denial by:

- Calling toll free at 1-855-298-4252
- Mailing a written request to:
Attn: Prescription Claim Appeals MC 109 – CVS Caremark
P.O. Box 52084
Phoenix, AZ 85072-2084
- Faxing a written request to: 1-866-443-1172
- Completing the Member Grievance and Appeal form on our website at: sharphealthplan.com

You will be notified of the IRO's decision within 72 hours for standard requests or 24 hours for expedited requests.

The IRO review process described above is in addition to your rights to file a Grievance or Appeal with Sharp Health Plan and to file a Grievance or request an independent medical review (IMR) with the California Department of Managed Health Care.

Binding Arbitration – Voluntary

If you have exhausted the Plan's Appeal process and are still unsatisfied, you have a right to resolve your Grievance through voluntary binding arbitration, which is the final step for resolving complaints.

Any complaint which may arise, with the exception of medical malpractice, may be resolved through binding arbitration rather than a lawsuit. Binding arbitration means that you agree to waive your rights to a jury trial. Medical malpractice issues are not subject to the arbitration process.

You may begin the arbitration process by submitting a demand for arbitration to Sharp Health Plan. Sharp Health Plan will utilize a neutral arbiter from an appropriate entity. Arbitration will be conducted in accordance with the rules and regulations of the arbitration entity.

Upon receipt of your request, we will forward to you a complete copy of the Arbitration Rules from the arbitration entity and a confirmation that we have submitted a request to the arbitration entity for a list of arbitrators.

If Sharp Health Plan determines that the request for arbitration is applicable under the Employee Retirement Income Security Act (ERISA) rules, then the cost of arbitration expenses will be borne by the Plan. If we determine the request for arbitration is not applicable under ERISA rules, then the cost of arbitration expenses will be mutually shared between you and Sharp Health Plan. In cases of extreme hardship, Sharp Health Plan may assume all or a portion of your arbitration fees. The existence of extreme hardship will be determined by the arbitration entity. Please contact Customer Care for more information on qualifying for extreme hardship.

If you do not initiate the arbitration process outlined above, you may have the right to bring a civil action under Section 502(a) of the ERISA if your Appeal has not been approved.

Additional Resources

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a Grievance against your health plan, you should first telephone your health plan toll-free at **1-800-359-2002** and use your health plan's Grievance process before contacting the Department. Utilizing this Grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a Grievance involving an emergency, a Grievance that has not been satisfactorily resolved by your health plan, or a Grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number

(1-888-466-2219) and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's internet website www.dmhca.gov has complaint forms, IMR application forms, and instructions online.

If your case is determined by the Department of Managed Health Care to involve an imminent and serious threat to your health, including but not limited to severe pain, the potential loss of life, limb or major bodily function, or if for any other reason the department determines that an earlier review is warranted, you will not be required to participate in the Plan's Grievance process for 30 calendar days before submitting your Grievance to the department for review.

If you believe that your or your Dependent's coverage was terminated or not renewed because of health status or requirements for benefits, you may request a review of the termination by the Director of the Department of Managed Health Care, pursuant to Section 1365(b) of the California Health and Safety Code, at the telephone numbers and Internet websites listed above.

Mediation

You may request voluntary mediation with the Plan prior to exercising your right to submit a Grievance to the Department of Managed Health Care. In order to initiate mediation, you and Sharp Health Plan must both voluntarily agree to mediation. The use of mediation services does not exclude you from the right to submit a Grievance to the department upon completion of mediation. Expenses for mediation are shared equally between you and the Plan.

Independent Medical Reviews (IMR)

If care that is requested for you is denied, delayed or modified by Sharp Health Plan or a Plan Medical Group, you may be eligible for an Independent Medical Review (IMR). If your case is eligible as described below, and you submit a request for IMR to the California Department of Managed Health Care (DMHC), information about your case will be submitted to a medical specialist who will make an independent determination on your case. You will receive a copy of the determination. If the IMR specialist so determines, the Plan will provide coverage for the health care service.

The IMR process is in addition to any other procedures or remedies that may be available to you. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against the Plan regarding the care that was requested. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. For cases that are not urgent, the IMR organization designated by the DMHC will provide its determination within 30 calendar days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including but not limited to, serious pain, the potential loss of life, limb or major bodily function, or the immediate and serious deterioration of your health, the IMR organization will provide its determination within three business days. At the request of the experts, the deadline can be extended by up to three days if there is a delay in obtaining all necessary documentation. IMR is available in the situations described below.

Denial of Experimental or Investigational Treatment for Life-Threatening or Seriously Debilitating Conditions

If a service is denied by Sharp Health Plan or a Plan Medical Group because it is deemed to be an investigational or experimental therapy, you may be entitled to request an IMR of this decision. To be eligible for an IMR under this section all of the following conditions must be true:

1. You must have a life-threatening or seriously debilitating condition. "Life-threatening" means either or both of the following: (a) diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or (b) diseases or conditions with potentially fatal outcomes, where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity.
2. Your Plan Physician must certify that you have a condition, as described in paragraph (1) above, for which standard therapies have not been effective, or for which standard therapies would not be medically appropriate, or for which there is no more beneficial standard therapy covered by the Plan than the proposed therapy.
3. Either (a) your Plan Physician has recommended a drug, device, procedure or other therapy that he/she certifies in writing is likely to be more beneficial to you than any available standard therapies, or (b) you or your Plan Physician (board eligible or board certified) has requested a therapy that, based on documentation from the medical and scientific evidence, is likely to be more beneficial than any available standard therapy.
4. You have been denied coverage by the Plan for a drug, device, procedure or other therapy recommended or requested as described in paragraph (3) above.
5. The specific drug, device, procedure or other therapy recommended would be a Covered Benefit, except for the

Plan's determination that the therapy is experimental or investigational.

If there is potential that you would qualify for an IMR under this section, the Plan will send you an application within five days of the date services were denied. If you would like to request an Independent Medical Review, return your application to the DMHC. Your physician will be asked to submit the documentation that is described in paragraph (3) above.

An expedited review process will occur if your physician determines that the proposed therapy would be significantly less effective if not promptly initiated. In such cases the analyses and recommendations of the experts on the panel shall be rendered within seven days of the request for independent review.

Denial of a Health Care Service as Not Medically Necessary

You may request an Independent Medical Review (IMR) of disputed health care services from the DMHC if you believe that health care services have been improperly denied, modified or delayed by Sharp Health Plan or a Plan Medical Group. A "disputed health care service" is any health care service eligible for coverage and payment under your Group Agreement that has been denied, modified or delayed, in whole or in part, because the service is not Medically Necessary.

The Plan will provide you with an IMR application form with any Appeal findings letter that denies, modifies or delays health care services because the service is not Medically Necessary. If you would like to request an IMR, return your application to the DMHC. Your application for IMR must be submitted to the DMHC within six months and meet all of the following conditions:

1. (a) Your Plan Provider has recommended a health care service as Medically Necessary; (b) You have received an urgent care or Emergency Service that a provider determined was Medically Necessary, or (c) You have been seen by a Plan Provider for the diagnosis or treatment of the medical condition for which you seek IMR;
2. The disputed health care service has been denied, modified or delayed by the Plan or a Plan Medical Group, based in whole or in part on a decision that the health care service is not Medically Necessary; and
3. You have filed an Appeal with the Plan and the Plan's decision was upheld or your Appeal remains unresolved after 30 days. If your Appeal requires expedited review, you may bring it immediately to the DMHC's attention. The DMHC may waive the requirement that you follow the Plan's Grievance process in extraordinary and compelling cases.

For more information regarding the IMR process or to request an application form, please call or email Customer Care.

Outpatient injectable medications and self-injectable medications are covered. Outpatient injectable medications include those drugs or preparations which are not usually self-administered and which are given by the intramuscular or subcutaneous route. Outpatient injectable medications (except insulin) are covered when self-administered or administered as a customary component of a Plan Physician's office visit and when not otherwise limited or excluded (e.g., certain immunizations, infertility drugs or off-label use of covered injectable medications).

Self-administered drugs are drugs that are injected subcutaneously (under the skin) that are approved by the FDA for self-administration and/or are packaged in patient friendly injections devices along with instructions on how to administer. Self-injectable insulin and GLP1 agents for diabetes are covered under the outpatient prescription drug benefit. Most other self-administered injectable drugs are covered as part of the medical benefit.

Maternity and Pregnancy Services

The following maternity and pregnancy services are covered:

- Prenatal and postnatal services, including but not limited to Plan Physician visits.
- Laboratory services (including the California Department of

Health Services' Expanded Alpha Fetoprotein (AFP) Program).

- Radiology services.
- Prenatal diagnosis of genetic disorders of a fetus in high-risk pregnancy cases.
- Breastfeeding services and supplies. A breast pump and supplies required for breastfeeding are covered within 365 days after delivery for members enrolled in non-Grandfathered Plans. (Optional accessories, such as tote bags and nursing bras, are not covered.) A new breast pump and supplies will be provided for subsequent pregnancies, but no more often than one (1) every three (3) years.
- Screening and treatment for Maternal Health for all women during pregnancy and during the postpartum period.

Prenatal and postnatal care recommended by the U.S. Preventive Services Task Force (USPSTF) with an A or B rating or by the Health Resources and Services Administration (HRSA) is covered for non-Grandfathered Plans under the preventive benefit without Member Cost Share. Such care includes, but is not limited to:

- Routine prenatal and postnatal obstetrical office visits.
- Certain lab services.
- Breastfeeding services and supplies (including counseling, education and breastfeeding equipment and supplies) during the antenatal, perinatal and postpartum periods.
- Tobacco use cessation counseling.
- Immunizations recommended by the Advisory Committee on Immunization Practices (ACIP).
- Gestational diabetes mellitus screening.
- Human Immunodeficiency Virus (HIV) infection screening.

Prenatal services not covered under the preventive benefit include, but are not limited to, radiology services, delivery and high-risk/non-routine prenatal services (such as visits with a perinatologist/maternal-fetal medicines specialist). While radiology services, like obstetrical ultrasounds, may be part of routine prenatal care, they are not included under the USPSTF or HRSA recommendations. A Copayment, Coinsurance or Deductible may apply for these services.

Prenatal and postnatal office visits Cost Shares are separate from any hospital Cost Shares. For delivery, the Member pays the applicable Cost Share to the hospital facility at the time of admission. An additional hospital Cost Share applies if the newborn requires a separate admission from the mother because care is necessary to treat an ill newborn. The Member cost for a newborn is based on the benefit plan the newborn is enrolled in.

Inpatient hospital care is covered for no less than 48 hours following a normal vaginal delivery and 96 hours following a delivery by cesarean section. The mother, in consultation with the treating physician, may decide to be discharged before the 48-hour or 96-hour time period. Extended stays beyond the 48-hour or 96-hour time period must be Authorized. Sharp Health Plan will also cover a follow-up visit within 48 hours of discharge when prescribed by the treating physician. The visit shall include parent education, assistance and training in breast or bottle feeding, and the performance of any necessary maternal or neonatal physical assessments. The treating physician, in consultation with the

mother, will determine whether the post-discharge visit shall occur at the home, at the hospital, or at the treating physician's office after assessment of the environmental and social risks and the transportation needs of the family.

Outpatient Prescription Drugs

Outpatient prescription drugs are covered. You may obtain covered outpatient prescription drug benefits from any retail, specialty or mail order Plan Pharmacy. Some prescription drugs are subject to restricted distribution by the United States Food and Drug Administration (FDA) or require special handling, provider coordination, or patient education that can only be provided by a specific pharmacy.

Except for Emergency Services and Out-of-Area Urgent Care Services, outpatient prescription drugs that are not obtained from a Plan Pharmacy are not covered, and you will be responsible for payment. The amount paid will not count toward your Deductible, if any, or Out-of-Pocket Maximum. In addition, you will be responsible for payment of outpatient prescription drugs not obtained through your pharmacy benefits with your Sharp Health Plan Member ID card (for example, paid for by cash, with a coupon or discount card), and such payment will not count toward your Deductible, if any, or Out-of-Pocket Maximum. If you pay for outpatient prescription drugs not obtained through your pharmacy benefits, you are eligible to receive reimbursement from Plan, and credit towards your Deductible, if any, and Out-of-Pocket Maximum, subject to the terms and conditions of this Member Handbook, in the following circumstances:

- The prescription drug obtained was Medically Necessary for the treatment of an Emergency Medical Condition or urgent care condition.
- You received prior Authorization from Plan for the prescription drug, and the drug was obtained from a Plan Pharmacy.
- The prescription drug obtained is listed as covered on the Drug Formulary, was obtained from a Plan Pharmacy, and all applicable utilization management criteria (e.g., step therapy, quantity limits, etc.) were satisfied.

You will be reimbursed for your share of the cost (excluding any portion of the charges covered by a coupon or discount card for which you did not incur an out-of-pocket expense), minus your applicable Cost Share and up to the contracted rate with the Plan Pharmacy, if applicable. Please see **"What if You Get a Medical Bill"** for information on how to request reimbursement.

Look in your Provider Directory to find a Plan Pharmacy near you or consult our website at sharphealthplan.com and search for a pharmacy that is convenient for you by using the "Find a Pharmacy" function on the "Member Center" page. Always present your Sharp Health Plan Member ID card to the Plan Pharmacy. Ask them to inform you if something is not going to be covered.

You pay the Cost Share (i.e., Copayment, Coinsurance and/ or Deductible) for Covered Benefits as listed in your Health Plan Benefits and Coverage Matrix. If the retail price for your prescription drug is less than your Cost Share, you will only pay the retail price. If you pay the retail price, your payment will apply to the Deductible, if any, and the Out-of-Pocket Maximum limit in the same manner as if you had purchased the prescription drug by paying the Cost Share. This applies whether you purchase your prescription drug from a brick-and-mortar retail pharmacy or a mail order pharmacy. Your Cost Share for covered orally administered anticancer medications will not exceed \$250 for an individual prescription of up to a 30-day supply. In addition, orally administered anticancer medications will not be subject to a Deductible, unless you are enrolled in a HSA-qualified High Deductible Health Plan.

You or your doctor may request a partial fill of an oral, solid dosage form of a Schedule II prescription drug from a pharmacy. A partial fill is when you receive less than the full quantity prescribed by your doctor. A Schedule II drug is one that has a high potential for abuse, with use potentially leading to severe

psychological or physical dependence. The plan will prorate your Copayment for a partial fill; however, if the pharmacy charges you two or more Copayments for subsequent partial fills of the same prescription, the Plan will reimburse you for the excess Copayments. Please see **“What if You Get a Medical Bill”** for information on how to request reimbursement.

The Drug Formulary is categorized into drug tiers as described below. Your Health Plan Benefits and Coverage Matrix identifies the number of drug tiers for your benefit plan. The Sharp Health Plan Drug Formulary identifies the drugs included on each tier. Your Cost Share may vary based on the drug tier.

Covered outpatient prescription medications include:

Category	Drug Formulary Symbol	Description
Tier 1	1	Preferred generic drugs
Tier 2	2	Preferred brand-name drugs and inhaler spacers listed on the Sharp Health Plan Drug Formulary
Tier 3	3	Non-preferred generic and brand-name drugs
Preventive	PV	Select drugs covered with no Copayment, including certain generic and over-the-counter contraceptives for women.
Medical Benefit Drugs	Not applicable (not listed on Drug Formulary)	Drugs covered under the medical benefit.

Please consult your Health Plan Benefits and Coverage Matrix for specific information about your benefit. For additional information about your Copayments, Coinsurance and/or Deductible, please consult the benefits information available online by logging onto Sharp Connect at sharphealthplan.com. When you create an account at Sharp Connect, you can access your benefits information online 24 hours a day, 7 days a week.

When a generic is available, the pharmacy is required to fill your prescription with the generic equivalent unless prior Authorization is obtained and the brand-name drug is determined to be Medically Necessary. The FDA applies rigorous standards for identity, strength, quality, purity and potency before approving a generic drug. Generics are required to have the same active ingredient, strength, dosage form, and route of administration as their brand name equivalents.

The amount of drug you may receive at any one time is limited to a 30-day supply or, if the treatment is for less than 30 days, for the Medically Necessary amount of the drug, unless the prescription is for a maintenance drug dispensed through mail order. This limitation does not apply to FDA-approved self-administered hormonal contraceptives, which are available in a 12-month supply. For more information about maintenance drugs, see the **“HOW DO I OBTAIN MAINTENANCE DRUGS BY MAIL ORDER?”** below.

SHARP HEALTH PLAN DRUG LIST

The Sharp Health Plan Drug List (also known as a Drug Formulary) was developed to identify safe and effective drugs for Members while maintaining affordable pharmacy benefits. The Drug Formulary is updated regularly, based on input from the Pharmacy & Therapeutics (P&T) Committee, which meets quarterly. The P&T Committee members are clinical pharmacists and actively practicing physicians of various medical specialties. In addition, the P&T Committee frequently consults with other medical experts to provide input to the Committee.

Updates to the Drug Formulary and drug usage guidelines are made as new clinical information and new drugs become available. In order to keep the Drug Formulary current, the P&T Committee evaluates clinical effectiveness, safety and overall value through:

- Medical and scientific publications,
- Relevant utilization experience, and
- Physician recommendations.

Some drugs are commercially available as both a brand name version and a generic version. It is the policy of Sharp Health Plan that when a generic is available, Sharp Health Plan does not cover the corresponding brand-name drug. If a generic version of a drug is available, the brand version will not be listed and will require prior Authorization. Sharp Health Plan requires the dispensing pharmacy to dispense the generic drug, unless prior Authorization for the brand is obtained. If the brand-name drug is Medically Necessary and prior Authorization is obtained from Sharp Health Plan, the Member must pay the Cost Share for the corresponding tier.

To obtain a copy of Sharp Health Plan’s current Drug Formulary, please visit our website at www.sharphealthplan.com or call Sharp Health Plan Customer Care at 1-800-359-2002.

WHAT IS THE OUTPATIENT PRESCRIPTION DRUG PRIOR AUTHORIZATION PROCESS?

Drugs with the PA symbol next to the drug name in the Drug Formulary are subject to prior Authorization. This means that your doctor must contact Sharp Health Plan to obtain advance approval for coverage of the drug. To request prior Authorization, your doctor must fill out a Prescription Drug Prior Authorization Form, include information to demonstrate medical necessity and submit it to Sharp Health Plan. Sharp Health Plan processes routine and urgent requests from doctors in a timely fashion. Sharp Health Plan processes routine requests within 72 hours and urgent request within 24 hours of Sharp Health Plan’s receipt of the information reasonably necessary and requested by Sharp health Plan to make the determination. Information reasonably necessary to make a determination includes information Sharp Health Plan has requested to make such a determination, as appropriate and Medically Necessary for the nature of your condition. Urgent circumstances exist when you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain maximum function. Upon receiving your physician’s request for prior Authorization, Sharp Health Plan will evaluate the information submitted and make a determination based on established clinical criteria for the particular drug.

If Sharp Health Plan denies your doctor's request for prior Authorization, you will receive a letter that explains the specific reason(s) for the denial and your right to appeal or file a grievance as set forth in the section **"What is the Grievance or Appeal Process?"**.

WHAT ARE OPIATE DOSAGE THRESHOLDS?

Certain classes, categories, doses or combinations of opiate drugs may require prior Authorization when the dosage is at or above a threshold considered unsafe, as determined by the P&T Committee or in the professional clinical judgment of your pharmacist. If your doctor deems that an opiate dosage above the threshold is Medically Necessary for you, he or she may need to submit a request for Authorization to support the medical necessity for coverage.

WHAT IS STEP THERAPY?

Drugs with the ST symbol next to the drug name in the Drug Formulary are subject to step therapy. The step therapy program encourages safe and cost-effective medication use. Under this program, a "step" approach is required to receive coverage for certain drugs. This means that to receive coverage, you must first try an alternative prescription drug that Sharp Health Plan determines will be clinically effective. There may be a situation when it is Medically Necessary for you to receive certain medications without first trying an alternative drug. In these instances, your doctor may request prior Authorization by calling or faxing Customer Care. The list of prescription drugs subject to step therapy is subject to change.

The criteria used for prior Authorization and step therapy are developed and based on input from the P&T Committee as well as physician specialist experts. Your doctor may contact Sharp Health Plan to obtain the usage guidelines for specific drugs. In addition, your physician may log onto their account in Sharp Connect to view the usage guidelines.

If you have moved from another insurance plan to Sharp Health Plan and are taking a drug that your previous insurer covered, Sharp Health Plan will not require you to follow step-therapy in order to obtain that drug. Your doctor may need to submit a request to Sharp Health Plan in order to provide you with this continuity of coverage.

WHAT IS QUANTITY LIMIT?

Drugs with the QL symbol next to the drug name in the Drug Formulary are subject to quantity limits. It is the policy of Sharp Health Plan to maintain effective drug utilization management procedures. Such procedures include quantity limits on prescription drugs. The Plan ensures appropriate review when determining whether or not to authorize a quantity of drug that exceeds the quantity limit. Quantity limits exist when drugs are limited to a determined number of doses based on criteria including, but not limited to, safety, potential overdose hazard, abuse potential, or approximation of usual doses per month, not to exceed the FDA maximum approved dose. Your doctor may follow the Prior Authorization process when requesting an exception to the Sharp Health Plan quantity limit for a drug.

WHAT IS THERAPEUTIC INTERCHANGE?

Sharp Health Plan employs therapeutic interchange as part

of its prescription drug benefit. Therapeutic interchange is the practice of replacing (with the prescribing physician's approval) a prescription drug originally prescribed for a patient with a prescription drug that is its therapeutic equivalent. Using therapeutic interchange may offer advantages, such as value through improved convenience and affordability, improved outcomes or fewer side effects. Two or more drugs are considered therapeutically equivalent if they can be expected to produce similar levels of clinical effectiveness and sound medical outcomes in patients. If, during the prior Authorization process, the requested drug has a preferred therapeutic equivalent on the Plan Drug Formulary, a request to consider the preferred medication may be faxed to the prescribing physician. The prescribing physician may choose to use therapeutic interchange and select a pharmaceutical that does not require prior Authorization.

WHAT IS GENERIC SUBSTITUTION?

The FDA applies rigorous standards for identity, strength, quality, purity and potency before approving a generic drug. Generics are required to have the same active ingredient, strength, dosage form, and route of administration as their brand-name equivalents. When a generic is available, the pharmacy is required to switch a brand-name drug to the generic equivalent, unless Sharp Health Plan has authorized the brand-name drug due to medical necessity. If the brand-name drug is Medically Necessary and prior Authorization is obtained from Sharp Health Plan, you must pay the Cost Share for the corresponding brand-name drug tier.

WHAT IF A DRUG IS NOT LISTED IN THE DRUG LIST?

Drugs that are not listed in the Drug List are non-formulary drugs and are not covered. There may be times when it is Medically Necessary for you to receive a medication that is not listed on Sharp Health Plan's Drug List. In these instances, you, your Authorized Representative or your doctor may request a formulary exception, following the prior Authorization process. Sharp Health Plan will approve or deny the exception request based on medical necessity within 72 hours for standard requests, or 24 hours for urgent requests. Non-formulary brand-name drugs approved for coverage will be subject to the Tier 3 Cost Share. Non-formulary generic drugs approved for coverage will be subject to the Tier 1 Cost Share. If your formulary exception request is denied, you have the right to Appeal the decision. Information on the Appeal process can be found under **"WHAT IS THE GRIEVANCE OR APPEAL PROCESS"** section of this Member Handbook.

Additional information about specific prescription drug benefits can be found in your Summary of Benefits. Information about prescription drug benefit exclusions and limitations can be found under "Outpatient Prescription Drugs" in the **"WHAT IS NOT COVERED"** section of this Member Handbook.

HOW DO I OBTAIN MAINTENANCE DRUGS BY MAIL ORDER?

Mail order is a convenient, cost-effective way to obtain maintenance drugs. Maintenance drugs are those prescribed on a regular, ongoing basis to maintain health. Most maintenance drugs can be obtained for a 90-day supply through mail order or retail. To use this service:

1. Have your doctor write a prescription for up to a 90-day supply of your maintenance drug.
 2. Complete the mail service order form brochure that you received with your new Member materials. If you did not receive a mail order form brochure, you can call Customer Care at 1-855-298-4252 to have one mailed to you.
 3. Mail your original prescription, along with your Cost Share payment, using the pre-addressed, postage-paid envelope attached to the order form. Your prescription will arrive at your home in two to three weeks.
 4. If your prescription includes refills, you can re-order by phone. Simply call the toll-free number on your prescription bottle to order a refill. If you have any questions or do not have a brochure, contact Customer Care at 1-855-298-4252.
4. Medications identified as PV are available with \$0 Cost Share and are not subject to a Deductible.
 5. Medical benefit drugs are subject to the charges applicable under your medical benefit.

B. Mail Order Pharmacy

1. For up to a 90-day supply of a Tier 1 maintenance drug that is obtained through the Prescription Home Delivery Service, you pay two Tier 1 Copayments.
2. For up to a 90-day supply of a Tier 2 maintenance drug that is obtained through the Prescription Home Delivery Service, you pay two Tier 2 Copayments.
3. For up to a 90-day supply of a Tier 3 maintenance drug that is obtained through the Prescription Home Delivery Service (if covered), you pay two Tier 3 Copayments.
4. For up to a 90-day supply of a PV maintenance drug that is obtained through the Prescription Home Delivery Service (if covered), you pay no Cost Share.

Maintenance drugs available through mail order are listed in the Drug Formulary. Please check the listing of mail-order medications in your Drug Formulary, or use the searchable Drug Formulary tool at sharphealthplan.com to determine if your drug is available through mail order. You may also call Customer Care.

HOW DO I OBTAIN SPECIALTY DRUGS?

A specialty drug is a drug that the FDA or the manufacturer requires to be distributed through a specialty pharmacy, drugs that require special training or clinical monitoring for self-administration, or drugs that the P&T Committee determines to be a specialty medication based on high-cost. They are often for Chronic Conditions and involve complex care issues that need to be managed. Examples include Harvoni, Sovaldi, Xeloda, Temodar, Sensipar, and Zortress.

Specialty drugs are available for a maximum of a 30-day supply. Please consult your Health Plan Benefits and Coverage Matrix for the 30-day Copayment or Coinsurance that applies to specialty drugs.

Most specialty medications require prior Authorization from Sharp Health Plan. Upon approval of your specialty drug, you will receive information on which retail and mail-order pharmacies can supply your drug.

HOW ARE DEDUCTIBLES, COPAYMENTS, AND COINSURANCE APPLIED FOR MY COVERED OUTPATIENT PRESCRIPTION DRUG BENEFITS?

The following Cost Shares apply to prescription drugs prescribed by a Plan Provider and dispensed by a Plan Pharmacy and to prescription drugs prescribed and dispensed for Emergency Services or Out-of-Area Urgent Care Services. Please see your Health Plan Benefits and Coverage Matrix for the Cost Share amount for each tier.

A. Retail Pharmacy

1. For up to a 30-day supply of a Tier 1 drug listed on the Drug Formulary, you pay one Tier 1 Copayment or Coinsurance.
2. For up to a 30-day supply of a Tier 2 drug listed on the Drug Formulary, you pay one Tier 2 Copayment or Coinsurance.
3. For up to a 30-day supply of a Tier 3 drug (if covered), you pay one Tier 3 Copayment or Coinsurance.

Some benefit plans also have a Deductible that applies to drugs covered by Sharp Health Plan or have a combined pharmacy and medical Deductible. If your benefit plan includes a Deductible, you are responsible for paying all costs for covered drugs that are subject to that Deductible each Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Deductible each Benefit Year), up to the amount of the Deductible, before Sharp Health Plan will cover those drugs at the applicable Copayment or Coinsurance amount. Please see your Health Plan Benefits and Coverage Matrix for further detail. You may receive a 12-month supply of an FDA-approved self-administered hormonal contraceptive, such as birth control pills, dispensed at one time with no Deductible, Copayment or Coinsurance.

WHEN CAN I REFILL MY PRESCRIPTION?

Sharp Health Plan allows you to refill your prescription after you have used at least 70% of the prescribed amount. For a 30-day supply, this means you can get a refill 22 days after you last filled the prescription. For a 90-day supply, you can get a refill 64 days after you last filled the prescription. If you try to order a refill at the pharmacy too soon, you will be asked to wait until the allowable refill date. A prescription cannot be refilled if there are no refills left or if the prescription has expired. If that is the case, please speak with your doctor.

Exceptions to filling a medication before the approved refill date can be made in certain circumstances. If your doctor increases your daily dose, the pharmacy or prescribing physician can submit a Prescription Drug Prior Authorization Form to Sharp Health Plan, requesting that the Plan override the "refill too soon" denial. If you need to refill a medication early because you are going on an extended vacation, you can call 1-855-298-4252 to request a "vacation override." Please allow 72 hours for Sharp Health Plan to review your request and make a decision.

If you have any questions regarding when your prescription is eligible to be refilled, please call Customer Care at 1-855-298-4252.

DRUGS, SERVICES AND SUPPLIES COVERED UNDER YOUR MEDICAL BENEFIT

The following services and supplies are covered as described elsewhere in this Member Handbook. Insulin, glucagon and insulin syringes are covered under the outpatient prescription drug benefit.
6. Items that are approved by the FDA as a medical device. Please refer to the Disposable Medical Supplies, Durable Medical Equipment, and Family Planning benefit categories under the "WHAT ARE YOUR COVERED BENEFITS?" section of this Member Handbook for information about medical devices covered by Sharp Health Plan.

Outpatient Rehabilitation Therapy Services

Outpatient rehabilitation services, including occupational, physical and speech therapy, are covered. The Member pays an applicable Copayment to the Plan Physician or other health professional for each visit. Therapy may be provided in a medical office or other appropriate outpatient setting, hospital, Skilled Nursing Facility or home. The goal of rehabilitation therapy is to assist Members to become as independent as possible, using appropriate adaptations if needed to achieve basic Activities of Daily Living including bathing, dressing, feeding, toileting and transferring (e.g., moving from the bed to a chair). Speech therapy is covered when there is a delay in obtaining services through the school system and when additional services are determined to be Medically Necessary (i.e., where injury, illness or congenital defect is documented, such as hearing loss, chronic otitis media, brain tumor, cerebral palsy, cleft palate, or head trauma). Sharp Health Plan will require periodic evaluations of any therapy to assess ongoing medical necessity.

Phenylketonuria (PKU)

The diagnosis and treatment of phenylketonuria are covered as follows:

- Medically Necessary formulas and special food products prescribed by a Plan Physician, to the extent that the cost of these items exceeds the cost of a normal diet.
- Consultation with a physician who specializes in the treatment of metabolic diseases.

Preventive Care Services

The following preventive care services are covered:

- Well child physical examinations (including vision and hearing screening in the PCP's office), all periodic immunizations, related laboratory services, and screening for blood lead levels in children of any age who are at risk for lead poisoning, as determined by a Sharp Health Plan physician and surgeon, if the screening is prescribed by a Sharp Health Plan health care provider, in accordance with the current recommendations from the American Academy of Pediatrics, U.S. Preventive Services Task Force, Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, the Health Resources and Services Administration and the American Academy of Family Physicians.
- Well adult physical examinations, episodic immunizations and related laboratory services in accordance with the current recommendations from the U.S. Preventive Services Task Force, Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, the Health Resources and Services Administration and Sharp Health Plan medical policies.
- Routine gynecological examinations, mammograms and cervical cancer screening tests, in accordance with the guidelines of the American College of Obstetrics and Gynecology and the Health Resources and Services Administration. Members may directly access OB/GYN care within their PMG without a referral from their PCP.
- All generally accepted cancer screening tests, as determined by the United States Preventive Services Task Force and approved by the federal Food and Drug Administration, including the conventional Pap test, any cervical cancer screening test and human papillomavirus screening test and prostate cancer screening.
- Other preventive diagnostic tests that may be delivered in an outpatient surgical facility, including but not limited to colonoscopy and endoscopy.
- HIV testing, regardless of whether the testing is related to a primary diagnosis.

If you are enrolled in a non-Grandfathered Plan, preventive care services are covered in accordance with:

- Recommendations made by the U.S. Preventive Services Task Force (USPSTF) with a rating of "A" or "B".
- Immunizations recommended by the Advisory Committee on Immunization Practices (ACIP) of the Centers for Disease Control and Prevention (CDC).
- Health Resources and Services Administration (HRSA)-supported women's preventive services guidelines.

- Bright Futures guidelines for children and adolescents, developed by the HRSA with the American Academy of Pediatrics.

These additional preventive services include, but are not limited to:

- Screening for tobacco use.
- For those who use tobacco products, two tobacco cessation attempts per year. For this purpose, covering a cessation attempt includes coverage for:
 - Four tobacco cessation counseling sessions, without prior Authorization; and
 - All FDA-approved tobacco cessation medications (including over-the-counter medications) when prescribed by a health care provider, without prior Authorization.

The USPSTF, ACIP or HRSA may update their recommendations and guidelines periodically. Any change in benefits required as a result of a new or updated recommendation or guideline will be effective for Benefit Years that begin on or after the date that is one year after the date the recommendation or guideline is issued. For example, if your Benefit Year begins January 1 of each year and the USPSTF issues a new recommendation with a rating of "A" on September 1, 2019, the benefit changes required would take effect January 1, 2021 (the start of your Benefit Year that begins one year after the USPSTF issued its recommendation). In the event of a safety recall or otherwise significant safety concern, or if the USPSTF downgrades a particular recommendation to a "D" rating, coverage of the affected item or service may cease prior to the end of your Benefit Year.

All preventive care services for non-Grandfathered Plans are provided at no Cost Share to Members; however, reasonable medical management techniques may be used to determine the frequency, method, treatment, or clinical setting for a recommended preventive service, to the extent not specified in the recommendation or guideline regarding that preventive service.

Professional Services

The following Professional Services (provided by a Plan Physician or other licensed health professional) are covered. The Cost Share for Professional Services is determined based on the type and location of the service. Please see the Health Plan Benefits and Coverage Matrix.

- Physician office visits for consultation, treatment, diagnostic testing, etc.
- Surgery and assistant surgery.
- Inpatient hospital and Skilled Nursing Facility visits.

The Registry guarantees your plans will be carried out when you die. Individuals who renew or apply for a driver's license or ID with the DMV now have the opportunity to also register their decision to be a donor in the Donate Life California Registry, and the pink "DONOR" dot symbol is pre-printed on the applicant's driver license or ID card. You have the power to donate life — sign up today at <http://www.donatelifecalifornia.org> to become an organ and tissue donor.

Urgently needed services include maternity services necessary to prevent serious deterioration of the health of the enrollee or the enrollee's fetus, based on the enrollee's reasonable belief that she has a pregnancy-related condition for which treatment cannot be delayed until the enrollee returns to the Plan's Service Area. Your initial enrollment period begins the day you become an Eligible Employee and ends 31 days later. If you do not enroll within 31 calendar days of first becoming eligible, you may enroll only during an annual Open Enrollment Period established by your Employer and Sharp Health Plan. Enrollment begins at 12:01 a.m. on the date established by your Employer and the Plan.

As the employee, you are eligible if you:

- Are an employee of an Employer;
- Are actively engaged on a full-time basis at the Employer's regular place of business, and

The Dependent Child's coverage shall end on the last day of the Benefit Year during which the Dependent Child becomes ineligible.

A Dependent child who is Totally Disabled at the time of attaining the maximum age of 26 may remain enrolled as a Dependent until the disability ends. For purposes of this provision, a Child is considered Totally Disabled while the Child is and continues to meet both of the following criteria:

1. Incapable of self-sustaining employment by reason of a physically or mentally disabling injury, illness or condition; and
2. Chiefly dependent upon the Enrolled Employee for support and maintenance.

Sharp Health Plan will notify the Enrolled Employee at least 90 days prior to a Dependent Child attaining the limiting age of 26 that the Dependent Child's coverage will terminate. The notification will inform the Enrolled Employee that the Dependent Child's coverage will terminate upon attainment of the limiting age of 26, unless the Enrolled Employee requests continued coverage of the Totally Disabled Child within 60 days of the date the Enrolled Employee receives the notification. Such requests must include a written statement and supporting clinical documentation from your Dependent's Plan Physician describing the disability. Upon receipt of a request by the Enrolled Employee for continued coverage of the Child and the Plan Physician's documentation, Sharp Health Plan will determine if the Child

meets the criteria described above. Coverage for such Child will continue until Sharp Health Plan makes its determination. Sharp Health Plan may request documentation to verify that the Child continues to meet the criteria above, but no more frequently than annually after the two-year period following the Child's reaching age 26.

Dependents are not required to live with the Enrolled Employee. However, Dependents must maintain their Primary Residence or work within Sharp Health Plan's licensed Service Area unless enrolled as a full-time student at an accredited institution or unless coverage is provided under a medical support order. A Member who resides outside the Service Area must select a PCP within the Service Area and must obtain all Covered Benefits from Plan Providers inside the Service Area, except for Out-of-Area Emergency Services or Urgent Care Services.

Newborns

The newborn Child of an Enrolled Employee or an Enrolled Employee's Spouse or Domestic Partner is automatically covered for the first 30 calendar days from the date of the newborn's birth, and the adopted Child of an Enrolled Employee or an Enrolled Employee's Spouse or Domestic Partner is covered for 30 days from the date you are legally entitled to control the health care of the adopted Child. If you wish to continue coverage for your newborn or adopted Child beyond the initial 30 day period, you must submit an Enrollment Change Form to your Employer within the 30-day period following the birth or legal adoption. A birth or adoption certificate may be required as proof of Dependent status. If applicable, Sharp Health Plan may coordinate the cost of care.

Premium charges for a newborn or adopted Child will be charged beginning the month following the month of birth or adoption.

You must submit an Enrollment Application to your Employer for a newborn or adopted Child, even if you currently have Dependent coverage. Grandchildren are not eligible for enrollment, unless you have been appointed legal guardian of the grandchild(ren).

Can You or Your Dependents Enroll Outside Your Initial or Open Enrollment Period?

If you decline enrollment for yourself or your eligible Dependents because of other group medical coverage, you may be able to enroll yourself and your eligible Dependents in Sharp Health Plan if you involuntarily lose eligibility for that other coverage. However, you must request enrollment within 30 days after your other coverage ends and will be required to submit documentation indicating the coverage termination date.

You and your eligible Dependents may also be able to enroll in Sharp Health Plan if you or your Dependent becomes eligible for a premium assistance subsidy under Medi-Cal or Healthy Families. You must request enrollment within sixty (60) days after the date that eligibility for Premium assistance is determined.

If you have a new Dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll

yourself and your Dependents outside of your Employer's Open Enrollment Period. However, you must request enrollment within 30 calendar days after the marriage, birth, adoption or placement for adoption. Your Employer is responsible for notifying the Plan to enroll or disenroll your eligible Dependents. If notification of the status change is not received by your Employer within the 30-day period, your Dependent(s) will not be covered and you will be responsible for payment of any services received.

To add a new Spouse to your coverage, you must complete and submit an Enrollment Change Form to your Employer within the 30-day period following your marriage.

How Do You Update Your Enrollment Information?

Please notify your Employer of any changes to your enrollment application within 30 calendar days of the change. This includes changes to your name, address, telephone number, marital status or the status of any enrolled Dependents. Your Employer will notify Sharp Health Plan of the change. If you wish to change your Primary Care Physician or Plan Medical Group, please contact Customer Care at (858) 499-8300 or toll-free at 1-800-359-2002 or by email at customer.service@sharp.com.

What if You Have Other Health Insurance Coverage?

In some families, both adults are employed and family members are covered by more than one health plan. If you are covered by more than one health plan, the secondary health plan will coordinate your health insurance coverage so that you will receive up to but not more than 100 percent coverage.

Sharp Health Plan uses the "Birthday Rule" in coordinating health insurance coverage for children. When both parents have different health plans that cover their child Dependents, the health plan of the parent whose birthday falls earliest in the Calendar Year will be the primary health plan for the child Dependents.

In coordinating health insurance coverage for your Spouse or Domestic Partner, the insurance policy in which the Spouse/Domestic Partner is the Subscriber will be his/her primary health plan.

What if You Are Eligible for Medicare?

It is your responsibility to apply for Medicare coverage once reaching age 65 or otherwise becoming eligible. Please notify Sharp Health Plan promptly if you or any of your covered Dependents become eligible for Medicare.

What if You Are Injured at Work?

The Plan does not provide Covered Benefits to you for work-related illnesses or injuries covered by workers' compensation. The Plan will advance Covered Benefits at the time of need, but if you or your Dependent receive Covered Benefits through the Plan that are found to be covered by workers' compensation, the

Plan will pursue reimbursement through workers' compensation. You are responsible to notify Sharp Health Plan of any such occurrences and are required to cooperate to ensure that the Plan is reimbursed for such benefits.

What if You Are Injured by Another Person?

If you or your Dependent are injured in an event caused by a negligent or intentional act or omission of another person, the Plan will advance Covered Benefits at the time of need subject to an automatic lien by agreement to reimburse the Plan from any recoveries or reimbursement you receive from the person who caused your injury. You are responsible to notify Sharp Health Plan of any such occurrences and are required to cooperate to ensure that the Plan is reimbursed for such benefits.

When Can Your Coverage Be Changed Without Your Consent?

The Group Agreement between Sharp Health Plan and your Employer is renewed annually. The Group Agreement may be amended, canceled or discontinued at any time and without your consent, either by your Employer or by the Plan. Your Employer will notify you if the Agreement is terminated or amended. Your Employer will also notify you if your contribution to Premiums changes. If the Group Agreement is canceled or discontinued, you will not be able to renew or reinstate the group coverage.

In the event of an amendment to the Group Agreement that affects any Copayments, Covered Benefits, services, exclusions or limitations described in this Member Handbook, you will be given a new Member Handbook or amendments to this Member Handbook updating you on the change(s). The services and Covered Benefits to which you may be entitled will depend on the terms of your coverage in effect at the time services are rendered.

When Will Your Coverage End?

Termination of Membership

If your Membership terminates, all rights to benefits end at midnight on the termination date (for example, if your termination date is January 1, 2021, your last moment of coverage was at 11:59 p.m. on December 31, 2020). You will be billed as a non-Member for any Covered Services you receive after your Membership terminates. When your Membership terminates under this section, Sharp Health Plan and Plan Providers have no further liability or responsibility under this Agreement.

Termination by the Employee

You may terminate your coverage and/or your Dependent's coverage by contacting your Employer. Your coverage and/or your Dependent's coverage will end at 11:59 p.m. on the last day for which Premiums received by Sharp Health Plan from your Employer cover you and/or your Dependent(s). If you choose to terminate your coverage and/or your Dependent's coverage, you will not be able to enroll in a new benefit plan until the next Open Enrollment Period, unless you or your Dependent qualifies for a Special Enrollment Period.

Loss of Subscriber and Dependent Eligibility

Coverage for you and your Dependents will end at 11:59 p.m. on the earliest date of the following events triggering loss of eligibility:

- When the Group Agreement between your Employer and the Plan is terminated. If you are in the hospital on the effective date of termination, you will be covered for the remainder of the hospital stay if you continue to pay all applicable Premiums and Copayments, unless you become covered earlier under other group or COBRA coverage.
- When your employment is terminated. Coverage will end on the last day of the month in which your employment is terminated, unless otherwise determined by your Employer. You may be eligible to continue coverage through COBRA (your Employer will advise you if you are eligible), or Cal-COBRA (the Plan will advise you if you are eligible). Members of the United States Military Reserve and National Guard who terminate coverage as a result of being ordered to active duty may have their coverage reinstated without waiting periods or exclusion of coverage for preexisting conditions. Please contact Customer Care for information on how to apply for reinstatement of coverage following active duty as a reservist.
- When your Employer otherwise determines that you no longer qualify for health coverage under the terms of your employment. Coverage will end on the last day of the month in which your eligibility for health coverage ends, unless otherwise determined by your Employer. You may be eligible to continue coverage through COBRA (your Employer will advise you if you are eligible) or Cal-COBRA (the Plan will advise you if you are eligible).
- When your Employer terminates coverage with the Plan. Coverage will end on the last day of the month in which your Employer terminated.
- When you no longer meet any of the other eligibility requirements under your plan contract. Coverage will end on the last day of the month in which your eligibility ended.

Coverage for your Dependent will end when a Dependent no longer meets the eligibility requirements, including divorce, no longer living or working inside of the Service Area or termination of Total Disability status. Coverage will end on the last day of the month in which eligibility ends. The Dependent may be eligible to elect COBRA or Cal-COBRA coverage.

Fraud or Intentional Misrepresentation of Material Fact

Coverage for you or your Dependent(s) will also end if either you or that Dependents) commit(s) an act of fraud or intentional misrepresentation of a material fact to circumvent state or federal laws or the policies of the Plan, such as allowing someone else to use your Member ID card, providing materially incomplete or incorrect enrollment or required updated information deliberately, including but not limited to incomplete or incorrect information regarding date of hire, date of birth, relationship to Enrolled Employee or Dependent, place of residence, other group health insurance or workers' compensation benefits, or disability status.

In this case, Sharp Health Plan will send you a written notice 30 days before your coverage will end or 30 days prior to the effective date of any rescission. The notice will include information about your right to appeal the decision. Your coverage may end retroactively to the date the fraud or misrepresentation occurred only if Sharp Health Plan identifies the act within your first 24 months of coverage. This type of retroactive termination is called a rescission.

Cancellation of the Group Agreement for Nonpayment of Premiums

If the Group Agreement is cancelled because the Employer failed to pay the required Premiums when due, then coverage for you and your Dependents will end at the end of your Employer's 30-day Grace Period, effective on the 31st day after the Notice of Start of Grace Period is sent to your Employer. The Grace Period begins on the day the Notice of Start of Grace Period is dated. If any required Premium is not paid by your Employer on or before the due date, it must be paid and received by Sharp Health Plan during the Grace Period.

Sharp Health Plan will mail your Employer a Notice of Start of Grace Period at least 30 calendar days before any cancellation of coverage. This Notice of Start of Grace Period will provide your Employer with information regarding the consequences of failure to pay the Premiums due within 30 days of the date the notice was mailed.

If payment is not received from your Employer within 30 days of the date the Notice of Start of Grace Period is mailed, Sharp Health Plan will cancel the Group Agreement and mail you and your Employer a Notice of End of Coverage, which will provide the following information:

- That the Group Agreement has been cancelled for Non-payment of Premiums.
- The specific date and time when the group coverage ended.
- Sharp Health Plan's telephone number to call to obtain additional information, including whether your Employer obtained reinstatement of the Group Agreement.
- An explanation of your options to purchase continuation coverage, including coverage effective as of the termination date, so you can avoid a break in coverage, and the deadline by which you must elect to purchase such continuation coverage (63 calendar days after the date Sharp Health Plan mails you the Notice of End of Coverage).
- Information about other health care coverage options and your potential eligibility for reduced-cost coverage through Covered California or no-cost coverage through Medi-Cal (a program that offers free or low-cost health coverage for children and adults with limited income and resources).
- Your rights under the law, including your right to submit a Grievance to Sharp Health Plan or to the California Department of Managed Health Care if you believe your benefit plan coverage has been improperly cancelled.

INDIVIDUAL CONTINUATION OF BENEFITS

Total Disability Continuation Coverage

If the Group Agreement between Sharp Health Plan and your Employer terminates while you or your Dependent are Totally Disabled, Covered Benefits for the treatment of the disability may be temporarily extended. Application for extension of coverage and evidence of the Total Disability is required to be provided to the Plan within 90 calendar days of termination of the Group Agreement; however, you or your Dependent, as applicable, are covered during this 90-day period.

You are required to furnish the Plan with evidence of the Total Disability upon request. The Plan has sole authority for the approval of the extension of Covered Benefits. The extension of Covered Benefits will continue for the treatment of the disability until the earlier of:

- When the Member is no longer Totally Disabled.
- When the Member becomes covered under any other group health insurance that covers the disability.
- A maximum of 12 consecutive months from the date coverage would have normally terminated.

COBRA Continuation Coverage

If your Employer has 20 or more employees, and you or your Dependents would otherwise lose coverage for benefits, you may be able to continue uninterrupted coverage through the Consolidated Omnibus Budget Reconciliation Act of 1985 and its amendments (referred to as COBRA), subject to your continuing eligibility and your payment of Premiums. COBRA continuation coverage is a continuation of group health plan coverage when coverage would otherwise end because of a "qualifying event." After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your Spouse and your Dependent could become qualified beneficiaries if coverage under the group plan is lost because of the qualifying event. Please contact your Employer for details about whether you qualify, how to elect COBRA coverage, how much you must pay for COBRA coverage and where to send your COBRA Premiums. Coverage will be effective on the first day following the loss of coverage due to the qualifying event. No break in coverage is permitted.

COBRA continuation coverage consists of the coverage under the company health plan that you and other qualified beneficiaries had immediately before your coverage terminated. If your Employer or Sharp Health Plan changes benefits, Premiums, etc., your continuation coverage will change accordingly. If the contract between the Employer and Sharp

Health Plan terminates while you are still eligible for COBRA, you may elect to continue COBRA coverage under the Employer's subsequent group health plan.

If you are no longer eligible for COBRA continuation coverage and your COBRA coverage was less than 36 months, you may be eligible for Cal-COBRA Continuation Coverage as described below.

Cal-COBRA Continuation Coverage

If your Employer consists of two to 19 employees and you or your Dependents would lose coverage under Sharp Health Plan due to a "qualifying event" as described below, you may be able to continue your company health coverage upon arrangement with Sharp Health Plan through the California Continuation Benefits Replacement Act (referred to as Cal-COBRA), subject to your continuing eligibility and your payment of monthly Premiums to Sharp Health Plan.

Continuation coverage consists of the coverage under the company health plan that you and other qualified beneficiaries had immediately before your coverage terminated. If your Employer or Sharp Health Plan changes benefits, Premiums, etc., your continuation coverage will change accordingly. If the contract between the Employer and Sharp Health Plan terminates while you are still eligible for Cal-COBRA, you may elect to continue Cal-COBRA coverage under the Employer's subsequent group health plan. If you fail to comply with all the requirements of the new plan (including requirements pertaining to enrollment and Premium payments) within 30 days of receiving notice of termination from the Plan, Cal-COBRA coverage will terminate. If you move out of the Plan's Service Area, Cal-COBRA coverage will terminate.

If a qualifying event occurs, it is the Member's responsibility to notify his/her Employer within 60 days of the date of the qualifying event. The notification must be in writing and delivered to the Employer by first class mail or other reliable means of delivery. If you do not notify your Employer within 60 days of the date of the qualifying event, you are not eligible for coverage under Cal-COBRA.

Qualifying Events

If you lose coverage due to one of the qualifying events listed below and you were enrolled in Sharp Health Plan at the time of the loss of coverage, you are considered a qualified beneficiary entitled to enroll in Cal-COBRA continuation coverage.

- As an Enrolled Employee, you may be eligible for Cal-COBRA continuation coverage if you would lose group health plan coverage due to the termination of your employment (for reasons other than gross misconduct) or due to a reduction in your work hours.
- As a Member who is the Dependent of an Enrolled Employee, you may be eligible for Cal-COBRA continuation coverage if you would lose group health plan coverage under Sharp Health Plan for any of the following reasons:
 1. Death of the Enrolled Employee.
 2. Termination of the Enrolled Employee's employment (for reasons other than gross misconduct) or a reduction in the Enrolled Employee's work hours.

3. Divorce or legal separation from the Enrolled Employee.
4. Enrolled Employee's Medicare entitlement.
5. Your loss of Dependent status.
 - A Member who has exhausted COBRA continuation coverage may be eligible for Cal-COBRA continuation coverage if your COBRA coverage was less than 36 months and your COBRA coverage began on or after January 1, 2003. COBRA and Cal-COBRA continuation coverage is limited to a combined maximum of 36 months.

After the Employer notifies the Plan of a qualifying event, the Plan will, within 14 calendar days, provide all of the information that is needed to apply for Cal-COBRA continuation coverage, including information on benefits and Premiums, and an enrollment application.

How to Elect Cal-COBRA Coverage

If you wish to elect Cal-COBRA coverage, you must complete and return the enrollment application to Sharp Health Plan. This must be done within 60 calendar days after you receive the enrollment application or 60 calendar days after your company health coverage terminates, whichever is later. Failure to have the enrollment application postmarked on or before the end of the 60-day period will result in the loss of your right to continuation coverage under Cal-COBRA. Coverage will be effective on the first day following the loss of coverage due to the qualifying event. No break in coverage is permitted.

Adding Dependents to Cal-COBRA

The qualified beneficiary who elects coverage can enroll a Spouse or Dependents at a later date when one of the following events occurs:

- Open enrollment.
- Loss of other coverage.
- Marriage.
- Birth of a Dependent.
- Adoption.

The new Dependent will not be considered a qualified beneficiary and will lose coverage when the qualified beneficiary is no longer enrolled in Sharp Health Plan.

Premiums for Cal-COBRA Coverage

The Member is responsible for payment to Sharp Health Plan of the entire monthly Premium for continuation coverage under Cal-COBRA. The initial Premium payment must be made on or before the 45th calendar day after election of Cal-COBRA coverage and must be delivered by first-class mail, certified mail or other reliable means of delivery to the Plan. The Premium rate you pay will not be more than 110 percent of the rate charged by the Plan for an employee covered under the Employer. The Premium rate is subject to change upon your previous Employer's annual renewal.

If the full Premium payment (including all Premiums due from the time you first became eligible) is not made within the 45-day

period, Cal-COBRA coverage will be cancelled. Subsequent Premium payments are due on the premium due date listed on your monthly invoice for that month's Cal-COBRA coverage. If any Premium payment is not made within 30 calendar days of the date it is due, Cal-COBRA coverage will be cancelled. No claims for medical services received under continuation coverage are paid until the Premium for the month of coverage is paid. If, for any reason, a Member receives medical benefits under the Plan during a month for which the Premium was not paid, the benefits received are not covered by the Plan and the Member will be required to pay the provider of service directly.

If you have any questions regarding continuation coverage under Cal-COBRA, please call Customer Care.

What Can You Do if You Believe Your Coverage Was Terminated Unfairly?

Sharp Health Plan will never terminate your coverage because of your health status or your need for health services. If you believe that your coverage or your Dependent's coverage was, or will be, cancelled, rescinded, or not renewed due to health status or requirements for health care services, you have a right to submit a Grievance to Sharp Health Plan or to the Director of the Department of Managed Health Care, pursuant to Section 1365(b) of the California Health and Safety Code..

For information on submitting a Grievance to Sharp Health Plan, see the section titled "What Is the Grievance or Appeal Process?" in this Member Handbook. Sharp Health Plan will resolve your Grievance regarding an improper cancellation, rescission or

nonrenewal of coverage, or provide you with a pending status, within three calendar days of receiving your Grievance. If you do not receive a response from Sharp Health Plan within three calendar days, or if you are not satisfied in any way with the response, you may submit a Grievance to the Department of Managed Health Care as detailed below.

If you believe your coverage or your Dependent's coverage has been, or will be, improperly cancelled, rescinded or not renewed, you may submit a Grievance to the Department of Managed Health Care without first submitting it to Sharp Health Plan or after you have received Sharp Health Plan's decision on your Grievance.

OTHER INFORMATION

When Do You Qualify for Continuity of Care?

Continuity of care means continued services, under certain conditions, with your current health care provider until your health care provider completes your care.

As a *newly enrolled* Sharp Health Plan Member, you may receive continuity of care services when

- You are receiving care from a non-Sharp Health Plan provider; or
- Your previous coverage terminated due to your health plan either withdrawing from the market in your service area or ceasing to offer the applicable health benefit plan in your service area.

As a *current* Sharp Health Plan Member, you may also obtain continuity of care benefits when your

- Sharp Health Plan Network has changed; or
- Sharp Health Plan Medical Group, hospital, or health care provider is no longer contracted with Sharp Health Plan.

Continuity of care may be provided for the completion of care

when you or your family member is in an active course of treatment for the following conditions:

Condition	Length of time for continuity of care
Acute condition	Duration of acute condition
Serious Chronic Condition	No more than 12 months
Pregnancy	Three trimesters of pregnancy and immediate post-partum period
Terminal illness	As long as the member lives
Pending surgery or other procedure	Must be scheduled within 180 days of health care provider's contract termination or member's enrollment in Sharp Health Plan
Care of newborn child between birth and age 36 months	No more than 12 months

Your requested health care provider must agree to provide continued services to you, subject to the same contract terms

and conditions and similar payment rates to other similar health care providers contracted with Sharp Health Plan. If your health care provider does not agree, Sharp Health Plan cannot provide continuity of care.

You are not eligible for continuity of care coverage in the following situations:

- You are a newly enrolled Member and had the opportunity to enroll in a health plan with an out-of-network option.
- You had the option to continue with your previous health plan, but instead voluntarily chose to change health plans.
- You have an Individual, Medicare, CalChoice, or CCSB (Covered California for Small Business) policy, and had the ability to choose a plan that allowed you to stay with your health care provider.

Please contact Customer Care or go to sharphealthplan.com to request a continuity of care benefits form. You may also request a copy of Sharp Health Plan's medical policy on continuity of care for a detailed explanation of eligibility and applicable limitations.

What Is the Relationship Between the Plan and Its Providers?

- Most of our Plan Medical Groups receive an agreed-upon monthly payment from Sharp Health Plan to provide services to you. This monthly payment is a fixed dollar amount for each Member. The monthly payment typically covers Professional Services directly provided by the physician group, and may also cover certain referral services.
- Some doctors receive a different agreed-upon payment from us to provide services to you. Each time you receive healthcare services from one of these providers, he/she receives payment for that service.
- Some hospitals in our network receive an agreed-upon monthly payment in return for providing hospital services for Members. Other hospitals are paid on a fee-for-service basis or receive a fixed payment per day of hospitalization.
- On a regular basis, we agree with each Plan Medical Group and some of our contracted hospitals on the monthly payment from Sharp Health Plan for services, including referral services, under the program for any Plan Members treated by the PMG/Hospital.
- If you would like more information, please contact Customer Care. You can also obtain more information from your Plan Provider or the PMG you have selected.

How Can You Participate in Plan Policy?

The Plan has established a Member Advisory Committee (called the Public Policy Advisory Committee) for Members to participate in making decisions to assure patient comfort, dignity and convenience from the Plan's Providers that provide health care services to you and your family. At least annually, Sharp Health Plan provides Members, through the Member Newsletter, a description of its system for Member participation in establishing Plan policy, and communicates material changes (updates and important information) affecting Plan policy to Members.

What Happens if You Enter Into a Surrogacy Arrangement?

A surrogacy arrangement is one in which you agree to become pregnant and to surrender the baby to another person or persons who intend to raise the child. You must pay us for any amounts paid by the Plan for Covered Benefits you receive related to conception, pregnancy, delivery or newborn care in connection with a surrogacy arrangement ("Surrogacy Health Services"). Your obligation to pay us for Surrogacy Health Services is limited to the compensation you are entitled to receive under the surrogacy arrangement.

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments. Those payments shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 calendar days after entering into a surrogacy arrangement, you must send written notice of the arrangement, including the names and addresses of the other parties to the arrangement, and a copy of any contracts or other documents explaining the arrangement, to:

Sharp Health Plan
Customer Care
Attention: Third Party Liability
8520 Tech Way, Suite 200
San Diego, CA 92123-1450

You must complete and send us all consents, releases, Authorizations, lien forms and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this section and to satisfy those rights. You must not take any action prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian or conservator and any settlement or judgment recovered by the estate, parent, guardian or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

GLOSSARY

Because we know health plan information can be confusing, we capitalized these words throughout all Sharp Health Plan materials and information to let you know that you can find their meanings in this glossary.

Active Labor means a labor at a time at which either of the following would occur:

The determination in question may be a denial or modification of a requested service (also referred to as an adverse benefit determination).

Authorization means approval by the Member's Plan Medical Group (PMG) or Sharp Health Plan for Covered Benefits. (An Authorization request may also be called a pre-service claim.)

Authorized Representative means an individual designated by the Member to receive Protected Health Information about the Member for purposes of assisting with a claim, an Appeal, a Grievance or other matter. The Authorized Representative must be designated by the Member in writing on a form approved by Sharp Health Plan.

Behavioral Health Treatment means Professional Services and treatment programs, including applied behavior analysis and evidence-based behavior intervention programs, that develop or restore, to the maximum extent practicable, the functioning of an individual with Pervasive Developmental Disorder or autism and that meet all of the following criteria:

A Child remains eligible for coverage through the end of the Benefit Year in which he/she turns 26 years of age. A covered Child is eligible to continue coverage beyond the age of 26 if the Child is and continues to be both:

- Chiefly dependent upon the Enrolled Employee for support and maintenance.

If your benefit plan includes a Deductible, you may be required to pay the Deductible prior to paying the Copayment.

Cost Share or Cost Sharing means the amount of the Member's financial responsibility as specifically set forth in the Health Plan Benefits and Coverage Matrix (also referred to as the Summary of Benefits) and any supplemental benefit rider, if applicable, attached to this Evidence of Coverage. Cost Share may include any combination of Deductibles, Coinsurance and Copayments, up to the Out-of-Pocket Maximum.

Covered Benefits means those Medically Necessary services, prescription drugs and supplies that Members are entitled to

receive under a Group Agreement and which are described in this Member Handbook.

Deductible means the amount a Member must pay in a Calendar Year (or Benefit Year, if you are enrolled in a benefit plan that applies the Deductible amount each Benefit Year) for certain Covered Benefits before Sharp Health Plan will start to pay for those Covered Benefits in that Calendar Year (or Benefit Year). Once the Member has met their Individual Deductible or, if applicable, the Family Deductible has been met, the Member pays the applicable Copayment or Coinsurance for Covered Benefits, and Sharp Health Plan pays the rest. Not all benefit plans have a Deductible.
