Additional benefits included with every plan

We know that excellent health care is not enough; it must also be easy to access. The convenience of Sharp Health Plan extends beyond San Diego and standard business hours. All Sharp Health Plan members receive the following value-added benefits:

Best Health®

Best Health is one of only 10 nationally accredited health plan wellness programs. The program provides Sharp Health Plan members with a variety of resources from meal plans to exercise routines to one-on-one personalized health coaching.

Sharp Nurse Connection®

We offer an after-hours nurse advice telephone service for Sharp Health Plan members. When you have a health question or concern after regular business hours, a single phone call puts you in touch with a registered nurse.

MinuteClinic®

As the walk-in medical clinic located inside select CVS/pharmacy® stores, MinuteClinic provides convenient access to basic care, without an appointment.*

Assist America®

Assist America connects Sharp Health Plan members to doctors, hospitals, pharmacies and other services when faced with a medical emergency while traveling 100 miles or more away from home, or out of the country.
