Provider Directory Last Update: September 8, 2025

As of February 1, 2024, Magellan has partnered with Sharp Health Plan to provide mental health and substance use disorder service to their members. The Magellan network includes thousands of providers, a suite of virtual mental health and substance use disorder specialty care and 24/7 access to personalized evidence based digital tools and wellness resources. Please know that there is a separate print provider directory and online provider directory with listings of both behavioral health providers/facilities within the Magellan Network and medical primary care providers, specialists, hospitals, urgent care and ancillaries in the Sharp Health Plan network via the Plan's website (www.sharphealthplan.com/findadoctor).

Terms of Use: *The list of providers was printed on the date noted above. To ensure the list of providers is current, please check you have the most up-to-date list. This list is subject to change without notice because it is updated every day. If you have questions about a provider or your program, please call the toll-free number which is located on the bottom of your program web page and on the back of your plan card. If you find incorrect provider information, please report it by clicking on the triangle icon, with an exclamation point, in the bottom left of the provider search result. If you have any difficulty obtaining an appointment, please call your program toll-free number for assistance.*
