At Sharp Health Plan, we make utilization management decisions based only on appropriateness of care and service (after confirming health coverage). The doctors and nurses who conduct utilization reviews are not rewarded for denials of care or service and there are no incentives for utilization management decision-makers that encourage decisions resulting in underutilization of health care services.

Should you have any questions or concerns in regards to either claim acknowledgement or claims status information, please contact Customer Care at 1-800-359-2002. We are available to assist you 8 a.m. to 6 p.m., Monday to Friday.

Sincerely,
