From: Sharp Health Plan
Date: August 15, 2025
Subject: Provider Appointment Availability Survey (PAAS) starts August 28, 2025

Attention Provider Partners,

Sharp Health Plan will conduct its annual Provider Appointment Availability Survey (PAAS) from August 28, 2025, through November 14, 2025. This mandatory survey, required by the Department of Managed Health Care (DMHC), is designed to assess your compliance with timely access standards.

When you receive the survey via fax or email, you will have 5 business days to complete and return the survey to QMetrics, our survey partner. **We ask that you return surveys to QMetrics within five (5) business days to eliminate the need for a telephone call to your office staff.** If the survey is not returned within five (5) business days, a representative will reach out to your office via telephone to conduct the survey. Please provide your next available appointment regardless of modality (for example, in-person or telehealth visit).

As a Sharp Health Plan provider, you are contractually obligated to respond to this survey. The DMHC requires us to score providers who refuse to participate in the survey as non-compliant. Please refer to the fielding date chart below for all providers.

Wave 1 Fielding Date	Wave 2 Fielding Date
August 28 – September 22 (email/fax) Phone calls will begin on September 9 for nonresponsive providers.	October 23 – November 14 (email/fax) Phone calls will begin on November 4 for nonresponsive providers.
