

## News Flash: HEDIS MY2025 Data Collection Project

**To:** Sharp Health Plan Physicians and Office Staff  
**From:** Sharp Health Plan  
**Date:** January 30, 2026  
**Subject:** Sharp Health Plan to begin annual HEDIS medical record review process

Attention Provider Partner:

HEDIS (Healthcare Effectiveness Data and Information Set), developed by NCQA, measures health plan performance and helps consumers compare plans. These measures also guide Sharp Health Plan in improving care quality. Annual medical record reviews are a key part of HEDIS.

This year, Advantmed will collect medical records on behalf of Sharp Health Plan and is required to maintain PHI confidentiality under HIPAA. Please note that patient-authorized information releases are not required for you to comply with this request for medical records<sup>1</sup>.

Medical record reviews will occur from Feb 2026 through April 2026 for the following measures:

- Blood Pressure Control for Patients with Diabetes
- Childhood Immunization Status
- Colorectal Cancer Screening
- Controlling High Blood Pressure
- Glycemic Status Assessment for
- Patients With Diabetes
- Prenatal & Postpartum Care
- Transition of Care
- Weight Assessment & Counseling for Nutrition and Physical Activity for Children

Advantmed may contact you for records or to schedule on-site visits to gather required documentation. Based on our contract with your office, no charge can be made for this service. Should you choose to use your own vendor, your office will be responsible for all service fees charged by your vendor.

If you have questions, please contact our Quality Improvement department representative Navjot Gill at [navjot.gill@sharp.com](mailto:navjot.gill@sharp.com) or 858-499-8288.

Warm regards,  
VP, Chief Medical Officer
