Behavioral Health Medicare Provider Directory

Sharp Health Plan, San Diego County

5,583 Providers Provider Directory Last Updated: 09/02/2026

This Behavioral Health Provider directory lists participating mental health and substance use disorder providers and is part of the plan's overall provider directory. Medical providers, hospitals and specialists are listed separately in the Medical Provider Directory.

This directory is for informational purposes only and does not recommend or endorse any particular provider or type of care. This directory reflects provider information available as of the publication date. Provider participation, availability, and practice details may change at any time. For the most current provider listing or for additional information, visit www.sharpmedicareadvantage.com/bh or contact Customer Care at 1-844-483-9013.

Before scheduling an appointment or receiving services, please confirm with both the provider and your health plan that:

- The provider currently participates in your network,
- The service is covered under your benefit plan, and
- You understand any costs you may be responsible for.

If you have difficulty getting an appointment with a provider listed in this directory, or if you believe any information in this directory is inaccurate or outdated, please call the number on the back of your ID card for assistance.

Accessibility information is self-reported by providers and is identified with an accessibility icon. Providers without an icon may still be accessible to people with physical disabilities. Because disabilities and access needs vary, please contact the provider's office directly to discuss your specific accessibility requirements.

To request a printed copy of this directory, please call your health plan's Customer Care Department at 1-855-562-8853. Office hours are 7 a.m. to 8 p.m., 7 days per week. TTY users should call 711. The health plan will mail a hard copy of the directory to you within three (3) business days of your request. The health plan may ask whether this is a one-time request or whether you would like to receive the directory in printed form on an ongoing basis.

© 2026 Optum, Inc. All rights reserved.

If you choose ongoing delivery, you will continue to receive printed copies of the provider directory until you leave the plan or request that printed copies be discontinued.

You can get this information for free in other formats, such as large print, braille, or audio. Call our toll- free number at 1-855-562-8853. TTY users should call 711.

This document is available for free in Spanish.
